### Find halves of shapes.

Day 1: Find halves of shapes.

Teddy wants half green  
and half yellow place  
mats for his party...

Day 1: Find halves of shapes.

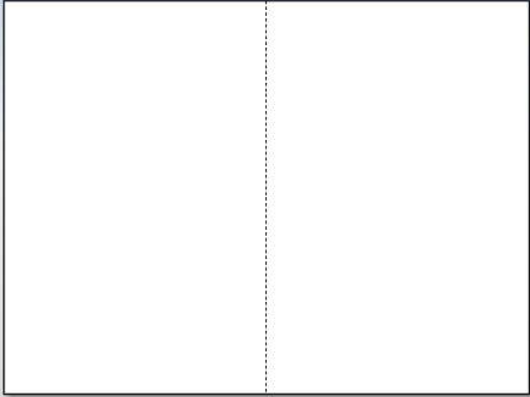

No!  
More is green  
than yellow.

## Teaching revision: Day 1

### Find halves of shapes.

**Day 1: Find halves of shapes.**

How could we help Teddy make half of the mat green and half yellow?

Fold the paper in half and show that each half is the same size. Then paint one half yellow and one half green.

Now choose a practice sheet to suit you. You can select Day 1 Sheet 1 (easier) or Day 1 Sheet 2 (harder).
