'Creating memories, building futures'

5th June 2015

Dear Parents and Carers

We are delighted to enclose a copy of our final SIAMS report reflecting the findings of the inspector who visited us at the end of last term.

Mrs McWhirter has captured the ethos of our school very well. The report is a fantastic validation of the part each and every person in the school family plays in ensuring the best for our children. It demonstrates our commitment to being an important part of the local community and to nurturing and developing each child's individual gifts and talents so that they can reach their potential.

As a school we are very happy to have received two external reports (OFSTED and SIAMS) within the space of one year which show our success in providing for our children, both in their academic progress and attainment and in ensuring they feel happy and respected in their learning environment.

Thank you very much for your continued support and the crucial role you play in helping us to improve what we are doing. We look forward to building on recent successes as we move towards the next academic year.

Yours faithfully

Mrs M Higgs
Head Teacher

West Berkshire Early Years
