

Kintbury St Mary's CE Primary School

Sports Funding 2016-2017

Amount allocated: £8630 [Amount determined using number on roll from the January 2016 school census.]

Aim:

- To develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

We are committed to helping every child to realise their potential in all areas of the curriculum. The sports funding is used to ensure inclusion and challenge through the PE and sports opportunities we deliver. We want every child to be able to access a wider range of PE and sporting activities and to experience and enjoy competition and sporting activities in different settings and contexts. Staff should also benefit from the continuous professional development of working alongside a qualified sports coach and accessing their resources and planning documents. This training will provide the school with a sustainable benefit in the future even if funding is cut.
