

Kintbury St Mary's CE Primary School

English

This term we will use the book **The Dancing Bear** by Michael Morpurgo and **Mountains of the World** by Dieter Braun to inspire:

- Letter Writing
- Persuasive Writing
- Information Writing

We will embed the grammar and spelling rules learned throughout the year in our writing and develop our editing for improvement skills as writers.

Maths

As a school, we follow White Rose Maths. Please look out for the weekly newsflash to keep up with the areas of the Math's curriculum that we are covering week by week. This term we will be focusing on fractions before moving on to measurement of time. We will continue with our Friday Maths Challenge where we deepen our understanding of the Maths skills we are learning.

Science

This term, Year 3 will be learning about forces. They will be investigating friction, gravity and air resistance. Children will plan and conduct their own investigations to explore which factors can affect the impact of these forces.

RE

Our focus religion this term is Christianity.

Our theme is: **Salvation**

During this term we will explore the idea: The birth of the Christian church.

Music

This term Mrs Key-Stevens will be teaching our Music lessons and will be helping the children to develop their understanding of the interrelated dimensions of music, such as pitch, rhythm and dynamics.

YEAR 3 CURRICULUM OVERVIEW

Summer Term 2021

Settlements and Mountains

Geography

We will be studying the physical geography of Mountains, at what altitude does snow never melt? Why don't tree's grow above a certain point? We will also explore the human geography of settlements, relating this to our own beautiful village of Kintbury.

PSHE

This term our focus will be on Self-esteem, looking to build self-belief and resilience. We will celebrate our personal strengths and learn to recognise our skills sets and how we can apply them in other areas of our lives.

PE

We will be working with the SCL team coach Mr Grainger to develop our fitness and team sport skills on a Monday and Friday.

French

This term we will continue to develop our conversational French skills, building on our prior learning of greetings, numbers and colours.

Art, Design and Technology

We will be developing our design and technology skills by building a whole class model of an 11th century settlement. We will also be working on perspective and use of colour when we create our representations of mountainous landscapes.
