

Kintbury St Mary's CE Primary School

English

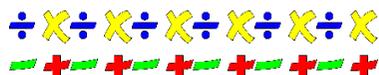

This term we will use the book **"The Wings Of Icarus"** by Jenny Oldfield and **The Trojan Horse** by Emily Little to inspire our:

- Instruction writing
- Acrostic Poems

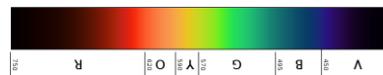

Mathematics

As a school, we follow White Rose Maths. This term we will be focusing on addition and subtraction, multiplication and division. We will also be continuing to consolidate our times table knowledge, particularly 2,5 and 10 x table

Science

This term, in Science we are learning all about light. Children will explore why cat's eyes reflect light and the importance of wearing sunglasses. We will be learning all about the spectrum of colours on a rainbow including the colours we can't see!

RE

Our focus religion this term is **Christianity**.

Our theme is: **People of God**

During this term we will explore the question:
What is it like to follow God?

Music

This term Mrs Keys-Stevens will be teaching our Music lessons and will be helping the children to develop their understanding of the interrelated dimensions of music, such as pitch, rhythm and dynamics.

YEAR 3 CURRICULUM OVERVIEW

Autumn Term Two 2020

Gods and Mortals

History

We will be looking at the influence the Greeks have had on military strategy. Why were the Spartans and the Athenians rivals? Was the Trojan Horse real or a myth?

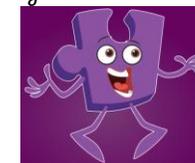

French

This term we will continue to develop our conversation skills, building on work of last half term.

PSHE

This term our focus will be on Celebrating Difference. This is part of the jigsaw programme used across KSM.

PE

We will be working with the SCL team coach Mr Grainger to develop our fitness and team sport skills on a Monday and Friday.

Art, Design and Technology

Inspired by our topic we will be developing our modelling and painting skills making coil jars and decorating them. We will also build our own decoy vessels.

Geography

This term we will focus on physical geography, we will deepen our understanding of longitude and latitude. We will explore why camels don't live in the north and why we have day and night and do

the same time?

we will deepen our understanding of hemispheres, time zones, will consider questions like polar regions, why do we all celebrate new year at
