

## Kintbury St Mary's CE Primary School

### English

This term we shall be studying the book *Goodnight Mr. Tom* by Michelle Magorian. We will be writing our own recount, a diary entry, setting description and a balanced argument. We shall begin the term by exploring war poetry. In guided reading we shall share the book, *The Boy in the Striped Pyjamas*, by John Boyne

### Mathematics

The focus this term is volume, calculating ratio and proportion. We shall then move onto statistics, looking at line graphs, pie charts and the mean. Finally, we will complete the term with looking at angles. For home learning we shall be revising what we have learnt since the beginning of the year.

### Science

This term we will be learning all about forces. We will explore famous Scientists such as Isaac Newton and Albert Einstein and discover how we can change the impact a force can have on an object. Children will plan their own investigation on friction and air resistance and develop their ability to record and present data accurately.

### RE

In R.E. the focus this term is Hinduism. Children will learn that Hinduism consists of rites and ceremonies focusing on birth, marriage and death. They will also learn about the Hindu beliefs of Karma, Samsara and Moksha. The question we seek to answer is, *Do beliefs in Karma, Samsara and Moksha help Hindus lead good lives?*

### Computing

In Computing we shall learn how to write propaganda report about World War Two. We shall also be researching key events of the war.

We shall also use computers to support our maths.

## YEAR 6 CLASS CURRICULUM OVERVIEW SUMMER TERM 1 2021

### PSHE

In PSHE we shall complete our topic of 'Healthy Me', where we look at drugs, gang culture and mental health, managing stress. We shall then move onto 'Relationships', looking at managing emotions.

### Topic – History

The topic this term is World War Two. We shall learn how the war began, about German occupation and the world at home. We shall also learn about how children were evacuated to the countryside and about rationing.

### Music

In music we will begin to practise the songs for the KS2 play.

### PE

In P.E., we shall begin to learn how to play cricket and rounders, as well as continue with the daily mile.

### Art and Design

In art we will create our own abstract patterns to reflect personal experiences and expression. We shall also use art during Earth Day to reflect changes to our planet.
