Dear Parents,

During this term our school has been given the amazing opportunity to work with the 'Carlisle Cathedral Outreach Programme'. This is an exciting opportunity where a member of the Cathedral Outreach Team, comes into school every Thursday for an hour to teach the children different singing styles and songs. The singing tutor will be working with the children in Years 5 and 6. (Oak Class)

The programme will conclude with an evening concert at Carlisle Cathedral on **Thursday 9th December 2021 at 6p.m.** At the concert, the children will perform with other schools from the Carlisle area plus the Cathedral Cantata Choir. You will have the opportunity to watch your child in the concert, they will perform the songs they have practised during the term and show off their singing talents!

Nearer the time we will give you information about tickets, practices and travel.

This is an exciting opportunity for your child! Please put this date in your diary.

You may remember in 2020 the children took part in this programme but due to the first 'National Lockdown' they never got a chance to perform at the Cathedral! Fingers crossed that this time they get the chance.

Yours sincerely

Mrs D. Maxwell
Head Teacher
