21st February 2022

Dear Parent and Carer,

We are very excited to inform you that we are starting some Forest School sessions at Kirkbride Primary School to enhance our outdoor learning. This will be led by Graham Simpson from Mountain Leopard Training, who is a fully trained instructor.

On Monday the 28th February he will be coming in to do a short introduction to forest school and a taster of archery. This will be a relaxed introduction to archery with no experience necessary and all kit will be provided (please note that due to safety reasons we cannot allow participants to use their own bow/arrows and therefore must use the ones provided). What to bring –

Warm clothing as the session will be held outside

Try to avoid clothing with toggles etc hanging down front of chest as they could potentially get tangled in the bow strings.

If possible, cover or remove facial/ear piercings or any other piercings that could possibly get snagged on bow string (we can always tape over them while shooting if we think they might be an issue).

Suitable footwear – trainers etc are fine, but nothing with open toes (sandals, flip-flops etc).

A completed consent form which is attached to this letter.

The children can come to school in their rough clothes this day but remember to bring a change of footwear and a change of clothes if the weather is unsettled. You can visit Graham's website at www.mountainleopardtraining.com for information.

If you have any questions or concerns, please get in touch. If you have any questions or concerns, please get in touch.

Thank you

Mrs Wiedman
Teacher
