Dear Parents/Carers

80 Club

It's that time of year again to renew your numbers for the 80 Club, or if you are new to the school we would love for you to join in. If we have more numbers the prize draw will go up too!! The prize money is half of the money taken and will be drawn in the Celebration Assembly each month.

Your number will be allocated for the year and will be randomly chosen. You will be given your number before the first draw. You can have more than one number if you wish.

The cost of a number is £12.00 for the year (12 draws).

Yours sincerely
Mrs Jayne Carruthers
Secretary to the PTA
