3rd November 2020

Dear Parent/ Carer

I would like to invite you to our first parents' forum meeting of the year on Tuesday 24th November at 6pm. The meeting will be held remotely via Microsoft Teams.

A parents' forum is a group of parents who come together to work supportively with school leaders, discussing and exploring a variety of school issues and initiatives. Our group normally meets around three or four times in a school year and the group's ideas and constructive feedback proves an invaluable resource in helping our school provide the very best educational experience for pupils.

If you are interested in joining our parent forum, please could you [complete the form here](#) by no later than Wednesday 11th November. If you attended our initial meeting last year and would still like to be involved in the parent forum this year, please can you also complete the form.

We look forward to working with you as part of our ongoing drive to raise standards within our school.

Yours sincerely,

Mr C Taylor
Headteacher
