Enjoying, Achieving, Succeeding Together

17 June 2024

Dear Parent/ Carer

Uniform Standards

As you know, at Kirkburton Middle School we have the very highest expectations of everybody connected to our school. One of the areas that we insist on is that every child follows our policies on uniform and appearance.

It is not long to go now until the summer holidays when many parents will be thinking about new uniform and so we thought it would be useful to a reminder with our uniform details.

Please look at the website to see examples and details of the uniform some of which are also included on the page below. We would ask that you pay particular attention to details regarding the school skirt: **skirts must not be T-shirt or jersey material but should be a tailored school skirt. Pupils should not wear tube or tight-fitting skirts or stretchy skirts.** Please also look carefully at the requirement for school shoes and ensure that these are correct for September. Should you require any clarification, please contact your child's form teacher in the first instance.

Last year we introduced the new PE top for pupils who are new to the school (current Y6 pupils). We expect our current year 7s to continue to wear their current coloured PE top. Should the need for a new PE top arise, current pupils may purchase the new top or the house coloured t-shirts which will still be available.

Should you need any support with providing school uniform for your child, please contact the school office so we can assist you further.

Where pupils arrive at school without the correct school uniform we will endeavour to support them by providing the correct items for them to wear for the day, this includes footwear.

A reminder also that pupils may only have one piercing in each ear, no other body/facial piercing is permitted.

Yours sincerely,

Mr C Taylor
