Enjoying, Achieving, Succeeding Together

7th May 2021

Dear Parent / Carer

I hope you are well and you have had a good week. Please find the attached OFSTED inspection report from our recent remote monitoring inspection. Two inspectors spent the day learning about the progress the school has made since the last inspection through a series of meetings with school leaders, staff, pupils, governors and trustees. This visit took place eight school days after the full return of pupils from the partial closure due to lockdown.

Overall we are pleased with the report and feel it reflects some of the excellent work which has taken place in school since the time of the last inspection. We are very pleased that the inspectors have identified the same key school improvement priorities as ourselves, things we will be working very hard to embed over the coming weeks.

Thank you once again to those parents who took the time to fill in the OFSTED parent view questionnaire at the time of the inspection. Whilst the overwhelming majority of comments received were positive, there were concerns raised by a minority parents. We would always ask you raise any concerns with the school immediately so we can try and address them for you.

As previously mentioned, the school will receive another monitoring visit before the end of the school year however this time the inspectors will come on site.

I hope you have a lovely weekend.

Yours sincerely,

Mr C Taylor
Headteacher
