Enjoying, Achieving, Succeeding Together

24/10/2025

Dear Parents and Guardians,

I hope this message finds you well. I am writing to inform you about an important change that will take place following the upcoming half term in our Year 6 English classes. After spending the initial half term with the students and gathering valuable data regarding their individual needs and abilities, we have decided to rearrange the teaching allocations of the class teachers to better suit their educational requirements. As a result, some classes will change teachers. Students may change class teachers but **will not** be moving teaching groups.

This adjustment will allow us to tailor the learning experience more effectively to each student, leveraging the expertise of our teaching staff. We believe that this change will greatly enhance the quality of education provided, fostering a more conducive environment for academic growth based on class needs.

We appreciate your understanding and continued support. Should you have any questions or concerns, please do not hesitate to reach out.

Warm regards,

Mr. L Marsden.

Strategic Second for English
