### Editorial.

THIS is the tenth issue of the Chronicle and our Association will be ten years old in January next. The occasion is opportune for retrospect and for taking stock of our position. We can justly claim that our Association has become well and surely founded. Nine years ago we recorded 120 members, the last list showed 214. We have steadily grown. The Old Boys dinner in January, 1920, saw 52 guests, we doubled that number last November. More important than numbers is the spirit that gives our Association its life and character. We have become a band of brothers; our Association has been a means of providing inspiring comradeship, the happiness of social intercourse and true service to our old school. It is an accomplished fact that a large body of Old Boys is in constant touch with the school and follows its doings. The number of Old Boys who visit the School on Sports Day, Prize Day, and as opportunity offers is ever increasing. The value of this to the School and to the Old Boys cannot be estimated. We know there must ever be those who by reason of distance or other circumstances are able seldom or ever to revisit their old school. They are none the less honoured members. We believe they are interested in the news we send them and we value their loyal adherence.

Of the many ways in which the Old Boys have been able, through their Association, to render help to the School, we may mention the achievement of the War Memorial and the Old Boys' Memorial to Mr. Walton, the purchase of sight screens for the Cricket field, the help given to purchasing a motor mower whereby the playing field has been greatly improved, and the support given to the scheme for obtaining a grant of Arms and Crest.

And for the future ; we must hold what we have won and we must go from strength to strength, knitting closer the ties of affection, fellowship and service that bind us, and seeking to bring into our circle the comrades of each generation of school life. A great test of our team spirit lies before us in the Carnival and Fête on August 3rd. Many Old Boys are working for the success of this effort and we confidently expect that there will be such a gathering of K.G.S. past and present as has never before been witnessed. The old School rejoices in the loyalty of her sons and sends to each and all her earnest wishes for their welfare.

## Cricket, 1928.

We have every reason to be proud of our Cricket XI. of 1928, who had a thoroughly successful season. They reached a higher standard in batting than any previous XI. we can remember and were virtually without a tail. White and Park again bore the brunt of the bowling and were a very good opening pair, but the change bowling lacked variety, and the School is still looking in vain for a left hand bowler of some ability.

White was, once again, an inspiring leader and had a most successful season with bat and ball.

Blackpool Secondary School proved to be our masters in two encounters, and Arnold House and Preston Grammar School were successful on their own grounds. These were the only games lost, and of the remaining 10 matches 8 were won and 2 drawn.

The victories were over Hutton G.S. (2), Blackburn G.S., Preston G.S. (1), Lancaster R.G.S. 2nd XI. Rev. J. Dyson's XI., The Staff, and (with the assistance of four masters) the Old Boys. The two games drawn were with Arnold House and the Master's XI.

Some really fine batting performances were put up by the XI.—particularly on the School ground, where their lowest score was 117 and their highest 201 for 9 wickets. On several occasions White and Harrison put up the half century before the first wicket fell. The best individual scores of the season were Harrison 96 and White 80.

The 2nd XI., captained by R. E. Penney, had a most successful season, winning 5 of their 8 matches. The healthy state of the School cricket is evidenced by the keenness shown to get into the 2nd XI. —A distinctly good 3rd XI. could have been chosen. The outstanding young player in the 2nd XI.

was A. H. Jones, who took 43 wickets for 151 runs (average 3·5) and had a batting average of 12.

The Senior House Competition looked to be an easy thing for the Blackpool House, but the School House showed surprising form in the final and Blackpool only just scraped home.

The scores were : Blackpool House 109 and 116 and School House 110 and 109.

The Junior House Competition resulted in a win for the Lytham House, who beat Kirkham House in the final, in a low scoring game.

The bats, so kindly presented to the School, were awarded as follows :—

Mr. J. H. S. Matthews' bat—for batting, F. White, 24·36.  
 Mr. G. Taylor's bat—for bowling ... G. C. Park, 8·2.  
 Mr. R. H. Penney's bats (for the most promising Juniors)—  
 L. Heathcote and N. S. Pollard.

Full Colours were regained by White, Park, and Harrison and awarded to Hudson, Greenway, and F. Stansfield. XX. caps were regained by Bury, and K. Atkinson, and awarded to Farrow, Marsland, R. H. Penney, R. E. Penney, A. H. Jones, Gillett, A. Cookson, and Chard.

## Swimming, 1928.

A record number of boys swam this season; 115 boys swam the length, and 12 the breadth. The figures have improved steadily year by year. The School House earned the remarkable distinction of having not a single non-swimmer

in the House, and they won the Cup by a good margin. The enthusiasm for swimming warranted the introduction of several new races at the Sports, the results of which are shown below :—

### Shooting, 1928.

Shooting proved very popular during the summer term. Over forty boys took part in the practices and many of them showed much promise.

The extra expenditure on ammunition was justified by the splendid results obtained.

The preliminary competition was held on June 23rd. Boys who scored over 60 out of a possible 100 continued to practice for the final.

In the final competition on July 28th and 30th the best eight qualified to form the School Shooting VIII.

The House Cup was awarded on the best representation in the School VIII.

The School VIII. in order of merit was :—

1	I. W. Ball (Kirkham House) .....	94 and 93
2	D. C. W. Rawstron (School House) .....	93 „ 87
3	R. E. Penney (Kirkham House) .....	89 „ 86

7	R. Chard (Blackpool House) .....	85 „ 83
8	C. A. Spencer (School House) .....	82 „ 74

Average for the School VIII. 85.9 %.

The placing of the Houses was :—

1	Kirkham .....	17 points	4	Lytham .....	4½ points
2	School House ..	8 „	5	Fylde .....	0 „
3	Blackpool .....	6½ „			

I. W. Ball won Miss Birley's Shooting Prize with the excellent scores of 94 and 93.

## Rugby Football, 1928-29.

Owing to the unprecedented frost and the prevalence of sickness during the Easter Term, the season was broken off just at the point when the XV. had run into its best form.

The back division as a whole was disappointing and did not compare favourably with that of 1927 ; the forwards were admirable in all departments of the game, and L. F. Heathcote was probably the best full back the School has yet possessed.

Of the School matches the best fought games were those against Giggleswick School “ A ” (lost) 3—13. Rossall School “ B ” (lost) 5—25 and Blackpool Secondary School at Kirkham (lost) 5—15. Lancaster R.G.S. 2nd XV. were overwhelmed by 40 points to 3 ; but on the other hand, early in the season

we were badly beaten by Blackpool Secondary School 77—0 and Hutton G.S. 32—8.

The Club fixtures provided us with six wins and no defeats, but in these games we had the assistance of two or three Old Boys, and Mr. Middleton and Mr. Stevenson.

The Old Boys match was once more a splendid struggle ; the School were leading until the last ten minutes of the game, when superior weight told' its tale and the Old Boys ran out winners by 12 points to 9.

The result of the season as a whole was :—

Played.	Won.	Lost.	Points for.	Points against.
14	7	7	287	216

The "A" XV. played one match against Fleetwood Grammar School and won by 19 points to 8.

The 2nd XV. were beaten twice by Blackpool Secondary School 2nd XV. and once by Hutton Grammar School 2nd XV.

The House Competitions gave us once more some of the finest football of the season. The final of the Senior Competition between Lytham House and School House was a magnificent struggle, Lytham winning by 17 points to 13.

Lytham also won the Junior House Competitions, Blackpool and Fylde Houses tying for second place.

Full Colours were reawarded to H. Greenway, S. Bury, N. Marsland, and awarded for the first time to L. F. Heathcote, W. Kirkham, A. T. Barker, J. K. Platt, A. T. Raby, A. B. Farrow, R. Gorton, P. V. Catterall, and J. A. Gillett.

Honours Caps (kindly presented by the Headmaster and Mr. R. H. Penney) were reawarded to H. Greenway, and awarded for the first time to S. Bury, L. F. Heathcote, and W. Kirkham,

A full list of fixtures is appended :—

## Sports, 1929.

The Afternoon of May 22nd was not very promising at the commencement of the Sports, but a fine if somewhat cool afternoon favoured the runners. There was a large attendance. The entries were large and a general keenness and close finishes marked all the open events.

The Cross Country on April 23rd was won by the Fylde House with Kirkham as the runners-up. The first man home was Walton, in the good time of 23 mins. 47½ secs.

The Fylde House also won the Junior Cross County.

The Victor Ludorum was won by N. Marsland, with 31 points. He was first in the 100 yards, and the Hurdles. Raby ran him very close with 29 points, and Kirkham was a good third with 22 points.

The Contest for the House Cup was unusually keen, and was only decided on the last event. The School House were first with 91 points, and Kirkham second with 88 points.

The Old Boys' Race was won by P. Dyson, A. D. L. Rawstron being second.

Mr. H. Parkinson, who has been Clerk of the Course for 20 years, and who has resigned owing to ill health, was presented by the Committee with an ebony walking stick, suitably inscribed, in appreciation of his services to the Sports.

### Prize Day, 1928.

Prize Day was held on August 1st. The prizes were presented by Dr. Herbert, Bishop of Blackburn. The Chairman of the Governors (the Rev. Canon Mitton) who presided drew a comparison between the Scottish and English attitude towards education, and emphasised the importance of the spirit of the people giving life and energy to the forms of educational method.

The Headmaster (the Rev. C. Strange) in his ninth annual report said that last autumn they reached a record in numbers—185, and the examination results were, in his opinion, better than they had ever achieved before.

"We live in days," proceeded the Headmaster, "when all the beauty and virtue of life is in danger of being killed by standardisation, which generally means a levelling down and not a levelling up. If this tendency is to follow out to its logical conclusion we may live to see the day when we all eat standard bread, wear standard clothes, receive standard wages, and think standard thoughts—in other words, be reduced in all things to the level of mediocrity. Social legislation in attempting to protect the weak and unfortunate is in danger of removing some of the noblest incentives to human endeavour, that man must work and not grow weary, and the strong must protect the weak, that the race is to the resolute and the speedy. Limitation of output, the standardisation of rates of pay for work that is good, bad, and indifferent, the limitation that is placed upon the hours of work, have been good in their intention, have cured or prevented many abuses, but they have brought in their train dangerous evils. They tend to destroy industry, pride in good work, the desire to excel."

"Woe unto the land that succeeds in standardising all its schools, which by selecting similar types, by putting them through the same stereotyped processes, produces a uniformity of mind and outlook which is as similar in result as the products of any multiple process of manufacture. To my mind, it is necessary for a nation's truest welfare that the average child should have the benefits of a broad and liberal education."

"Some of our most valuable work is done for boys who are in no way distinguished by mental quickness or brilliance. Equally necessary is it that there should always be a leaven, who are continually seeking new heights to climb, new realms

to conquer. I rejoice that in this School we have some boys who are by way of becoming real scholars, and also some who are dull of wit but great triers."

"It is a great joy that the Old Boys of the School are more and more closely interwoven with our life. The Old Boys' Association, founded nearly nine years ago, has been a great power in organising the great wealth of school patriotism that has flowed from this school for generations past. Mr. J. H. Rigby has done most valuable work as the Honorary Secretary of the Association since its foundation."

Mr. Strange referred to an important change in the administration of the school. The Lancashire County Council has now taken full financial responsibility, and whatever sentimental regrets they may have, yet the change meant a great increase in power behind them. He rejoiced to think that in the present Education Department of the County Council they had a broad-minded and benevolent administration. One of the advantages that would accrue was that they would have a periodical medical examination.

The Headmaster then expressed his gratitude for the great help he received in his work from Mrs. Strange, from his colleagues, from the Governors, parents, and the boys, and voiced the confidence he felt in the great future that lay before the school.

Dr. Herbert presented the prizes and declared that all the ancient English grammar schools had contributed an element to the life of the country which was without parallel in any other country. No other place in the world had the same kind of prestige attaching to its schools as was true of England, and there was not another country whose history had been so enormously influenced by the character of its public schools.

"I believe," added Dr. Herbert, "that the sense of pride which every boy feels in the school to which he belongs is an

extraordinary valuable thing, and is a real help when they go out into life."

The Bishop added that the unwritten laws of a school largely formed the spirit of it, and gave the school its own special distinction. There were some people who thought that the danger of school lay in the ease with which the individuality of particular boys was sacrificed to the spirit of the school itself. If that danger was imminent it would be a most real and frightful one. The real essence of what they meant when they talked about a public school was that it was a place through association with which through a certain number of years, fellows went out into the larger world determined to play their part as men, with some equipment with which to do it.

"If we can play our parts as men," concluded the Bishop, "then our thoughts of school help us to understand that that part cannot be played in isolation. A school is as good as the proportion of its members who feel themselves members of one and another, so that the whole spirit of the school grows into a real fellowship, in which the members bear one another's burdens, and contribute to one another's joys. That is a photograph on a small scale of life of the best type as it ought to be, for life is a social and not individual thing."

A vote of thanks to Dr. Herbert was accorded on the proposition of Mr. P. E. Meadon, Director of Education for Lancashire, seconded by the Rev. R. W. M. Holme, Vice-Chairman of the Governors.

## Annual Meeting and Dinner, 1928.

The Ninth Annual Meeting of the Association was held at the School on November 21st. The President paid a tribute to the memory of F. W. Rigby, A. L. Harrop, J. L. Matthews,

R. Moorhouse, and T. V. Goodier. The members present stood in silence.

The minutes of the previous meeting and of the Committee meeting held on June 20th, 1928, were read and passed. The Balance Sheet showing a balance in hand of £48/0/4 was read and approved.

The Secretary stated that the membership of the Association stood at 213, including 74 life members. A hearty vote of thanks was accorded to Mr. J. H. Rigby for his valuable services as Hon. Sec. and Treas. of the Association, and he was unanimously re-elected.

Messrs. T. H. Maxwell, and G. C. Wilson, intimated their inability to continue to serve on the Committee, and the Committee for the ensuing year was constituted as follows:—The President, the Hon. Sec. and Treas., Messrs. H. Parkinson, R. S. Crozier, H. F. Tomlinson, F. A. Mullineaux, R. W. Parker, A. Bamford, J. Threlfall, F. H. Jolly, H. Coupe, and J. P. Coleman.

The President called the notice of members to various coming events and expressed his appreciation of the way in which Old Boys' had supported his scheme for obtaining a Coat of Arms and Crest for the School.

Several members expressed the hope that a few Cricket fixtures could be arranged for the Old Boys.

The question of an Old Boys' Rugby Football Club was raised. This also met with support, but no definite steps were decided upon, the first requirement being an Old Boy willing to undertake the duties of team Secretary.

After the Meeting a record company numbering 105, sat down to dinner in the School Assembly Hall. The customary toasts were duly honoured. Mr. Harry Gilmour proved a most successful entertainer, and the gathering was generally voted an outstanding success.

### Obituary.

We deeply regret the deaths of the following Old Boys:—

R. MOORHOUSE, of Meltham, Huddersfield, on January 22nd, 1928, who was at School 1922-24.

T. V. GOODIER, of Ansdell, on September 3rd, 1928, who was at School 1906-11.

H. ROTHWELL, of Lytham St. Annes, on January 4th, 1929, who was at School 1902-05.

J. C. HUMBER, of Brock, on May 22nd, 1929, who was at School 1926-27.

### K.G.S. Past and Present Cricket Match, 1929.

The annual match was played on June 19th, under ideal conditions and proved a most enjoyable and interesting encounter. J. H. S. Matthews captained a representative side of Old Boys. Mrs. Strange entertained both teams to tea on the Field.

The Present School batted first and after losing six wickets for 43, did well to reach a total of 121.

Greenway and Penney played most valuable innings at a critical stage.

With five wickets down for 27, the Old Boys appeared well beaten but J. Tomlinson, batting with a damaged finger, played a most plucky innings, and he and W. Atkinson took the score to 98. The eighth wicket fell at 113, but D. Rawstron gave Atkinson the help needed and the School's score was passed with two wickets in hand.

Atkinson, who was last out, played a very fine innings. Park bowled well for the Old Boys.

## The Carnival and Fete.

At the time of going to press arrangements for the great Fête are well advanced. Old Boys are asked to make a special

note of the date, Saturday, August 3rd, and to roll up with their friends.

The attractions are too numerous to mention in detail. The Kirkham Women's Institute are staging a Pageant of Dickens, including a series of tableaux of famous scenes. Some 50 of the best known characters from the works of Dickens will be represented.

By the kindness of an Old Boy, Lt. Col. W. J. Plant, we shall have the services of the Band of the 4th Bn. the Loyal Regiment. The Side Shows Committee have arranged 21 side shows of a very attractive nature. In addition there are numerous competitions, which will test the ingenuity, strength and skill of their patrons. A Comic Football Match in Fancy Dress should prove very popular. The "Daily Mail" Push Ball is also billed to appear.

There will be various stalls, and refreshments will be prepared in abundance. Good parking arrangements are being being made for motorists.

The wearing of fancy dress is optional, but it will be welcomed and will add to the Carnival Spirit, and there are prizes for ladies, gentlemen and children. No Old Boys should miss this Fête.

If the weather is good, we can promise all who come a splendid afternoon of fun and entertainment, and we hope to raise a substantial sum towards the building of the School Cricket Pavilion.
