Editorial.

THE experiences of the last twelve months must have sorely tried many of our great brotherhood. In the world at large there has prevailed a conjunction of conditions that has made the conduct of business extremely exacting and difficult. Our country has had its full share of trial, and we have found ourselves as a nation carrying the burden of a vast debt, with conditions of trade, business and employment most difficult, disheartening and disappointing. The heaviest burden of all seems to have fallen on our northern counties, owing to the paralysing difficulties that have assailed the textile industries.

There can be very few homes in our land which have not felt in varying degrees the terrible economic stress of these times. We would send forth from K.G.S. to our members, wherever they may be, a message of sympathy, a word of courage in the hard fight that is theirs.

In the dark sky of economic storm there has shone one bright and guiding star. It is a well proved adage that British pluck shows brightest in adversity, and it has been very noticeable during these years, when disappointment has followed disappointment, when in many lines of business and employment conditions have appeared well-nigh hopeless, that

a cheery optimism has never been missing. In every walk of life there are to be found men and women who refuse to accept defeat, who regard adversity as a challenge to their courage, and who work harder and plan more enthusiastically to find a way out of the tangled mass of difficulty.

And just as we know that amongst our members there are many who have felt the full force of adversity, so do we know by personal experience that amongst the Old Boys of K.G.S. there are countless brave spirits, who have accepted difficulties and hard times with a smile, have done their bit to keep the spirit of this nation sound and contributed their share towards the process of reconstruction and victory. It is our happy lot to meet many of the Old Boys of K.G.S., and we can bear witness that they do carry brave hearts and cheery souls.

We venture to hope that the darkest hour is passed. The emergence into the light of full prosperity will doubtless be slow and difficult, but we send to all our members a sincere word of good cheer, a message that K.G.S. is ever proud of pluck, and the belief that there is a comfort in the sense of brotherhood, which we realised when at school and have maintained ever since.

Two interesting lectures have been given to the School during the year. On October 17th, 1930, H. D. Butler, Esq. lectured on "John Masefield." On January 27th, 1931, E. Hickinbotham, Esq. lectured on "Economics and the ordinary man,"

A very handsome Silver Challenge Cup for the Swimming Championship has been presented to the School, "In Memory of Thomas Cambage Walton, Headmaster 1905-19, the gift of his wife and children." This gift is doubly precious because of the great Headmaster it commemorates.

Dr. Court and Miss Walker have given some valuable and useful gifts to the School, including a microscope, a set of the Encyclopædia Britannica, and some cases of stuffed birds representing the bird life of the Fylde.

Mr. Budden and a party of 10 K.G.S. Boys spent an enjoyable week at Glion, in Switzerland, in August.

The School gave an excellent concert and play, "Shivering Shocks," on December 15th and 16th. This drew appreciative audiences and raised £33/2/7 for the Pavilion Fund.

PRIZE DAY, July 29th. Alderman J. H. S. Aitken, President of the Association of Education Committees for England and Wales, has promised to present the prizes.

Old Boys' Dinner November 18th.

The Annual Rugby Football Match, Past v. Present, will be played that afternoon. Early application should be made by Old Boys wishing to play.

Cricket, 1930.

The XI. whilst somewhat lacking in experience and steadiness was one of the most interesting we have had for many years past.

The bowling was well varied. Roberts, a genuine slow left-hander, combined a deceptive flight and spin with a steady length, and proved an admirable foil to Jones (medium pace, off break) or one of the fast bowlers McNicol or Heathcote,

The batting was uneven. Penney and McNicoll were a sound opening pair ; Jones and Greenway played a few stylish innings ; Farrow, though stylish, did not fulfil our hopes of last year ; of the rest Wilson was reliable though crude in style and Crewdson showed promise for 1931.

The list of fixtures which follows shows that an excellent start was not maintained throughout the season.

Time robbed us of two probable victories over Preston Grammar School.

Our match with King George V. School, Southport, proved most exciting, our opponents failing by one run to reach our score.

The Old Boys match also produced a good struggle in which the School saved the game after extra time had been played.

Lancaster R.G.S. 2nd XI. were easily defeated twice and Hutton and Wigan Grammar Schools once each. Blackpool Secondary School again proved too strong for us and we collapsed badly on a difficult wicket at Arnold House.

Full colours were reawarded to Greenway and Penney, and given to Jones and McNicol.

XX. Caps were reawarded to Heathcote, Pollard and Farrow, and awarded for the first time to Wilson, Roberts, Crewdson, Raby, R. M. Rigby, J. G. Stansfield, Strong, Roscoe and Walker.

The 2nd XI. proved less successful having only one win and one draw to their credit against six losses.

The Senior House Competition was won by the School House, who defeated Blackpool House in the final by an innings and 24 runs, the scores being : Blackpool, 29 and 41, School House, 94.

The Junior House Cricket Cup was also won by the School House, who defeated Kirkham House in the final.

Prize bats kindly given by Mr. J. H. S. Matthews, and Mr. G. Taylor, were presented to McNicol and Penney, who tied for first place in the batting average with figures of 14 runs per innings each.

A silver mounted ball, presented by Mr. L. Orr, was given to A. H. Jones, the most successful bowler, who took 42 wickets at an average of 7·9 per wicket.

Swimming, 1930.

The number of boys who can swim continues to increase. By the end of the season 132 boys qualified for swimming Certificates; this represents 75% of the total strength of the school.

The Annual Swimming Sports were held in the Kirkham Baths, on July 28th. Each boy who can swim a length gains three points for his House, and one point is awarded for the breadth only, these points are then brought to a percentage of the possible total for each House. The points awarded for the House Relay Race are then added to these to determine the final order of the Houses. Results :—

Shooting, 1930.

The high standard of the last few years was well maintained. Considerable interest was taken by some of the junior members of the school, many of whom showed much promise.

The preliminary competition was held on June 24th. Boys who scored over 60 out of a possible 100 continued to practise for the final.

In the final competition on July 26th the best eight qualified to form the School Shooting VIII.

The House Cup was awarded on the best representation in the School VIII.

The School VIII. in order of merit was :—

Rugby Football, 1930-31.

The 1st XV. are to be congratulated on having a splendid season.

They excelled in all departments of the game and in addition showed indomitable courage time after time. Every member of the XV. was a fearless tackler and the pack of forwards splendidly led by Gorton, rose at times to heroic heights. Farrow was a clever hooker, Jones worked the blind side of the scrum cleverly—and perhaps rather too often—Heathcote usually outshone his opposite number at full back, and the three quarters, though not outstanding as individuals, were speedy and sound.

The XV. showed its best form in the victories over Hutton Grammar School at Kirkham, 6—0, and over Arnold School at Blackpool, 24—0. Other fine games were the

victory over Giggleswick 2nd XV. (8—3); the two even struggles with Blackpool Secondary School; the overwhelming victory over Lancaster R.G.S. 2nd XV. at Lancaster (45—3), and the Old Boys match.

Though defeated by Rossall School 3rd XV. by 14 points to 3, our XV. gave a good account of themselves and left a good impression.

Of 16 matches played by the 1st XV. nine were won, six lost and one drawn, 186 points were scored against our opponents 90. The XV. was, moreover, the heaviest we have had, the average weight being over 10 stone.

The 2nd XV. were usually outweighed and suffered two heavy defeats by Blackpool Secondary School. As against this they scored two victories over Arnold School and a draw at Hutton Grammar School. The latter however defeated them at Kirkham.

The School House were victorious in both the Senior and Junior House Competitions, the runners up in the Senior Competition being Lytham House, and in the Junior Competition, Fylde House.

1st XV. Colours were reawarded to R. Gorton, A. B. Farrow, L. F. Heathcote, A. H. Jones, R. Swan, R. M. Rigby, J. R. Matthews, and awarded for the first time to M. J. Marsland, R. N. Stansfield, A. W. Pierce, N. J. Wilkinson, R. Halsall, N. S. Pollard, J. Crewdson, and F. Kay.

Honours Caps (kindly presented by the Headmaster, Mr. R. H. Penney, Mr. C. K. Lee, and Mr. E. Lomax) were regained by R. Gorton, A. B. Farrow, L. F. Heathcote, R. Swan, and A. H. Jones, and awarded for the first time to M. J. Marsland, J. R. Matthews, R. N. Stansfield, and R. M. Rigby.

Prize Day, 1930.

Prize Day was held on July 30th. The prizes were presented by the Right Honourable the Earl of Crawford and Balcarres, K.T.

The Rev. Canon W. T. Mitton, Vicar of Kirkham and Chairman of the School Governors presided over a large attendance. After the Headmaster had given his report, showing a very healthy state in all departments of the school life, The Earl of Crawford and Balcarres, who rose amidst

applause, said that the prizes he saw around him were evidence, he hoped, of good, honest, hard work and triumph. He offered his congratulations to those who had won them, and his condolences to those who had not won them. He thought those who had not won were often worthy of mention.

Some of the boys were going out into the wonderful world around them, and whilst congratulations were always welcome to people, they would see many unhappy things, and condolences were often the more valuable thing of the two. Their education at that school was, as the Headmaster had indicated, being given to them as a foundation upon which they would try to base a sense of citizenship.

He went on to say that education was no longer looked upon as something which a boy or girl had got to go through for his or her personal advantage. They were not there simply to be educated themselves, but to learn whatever a school career could give them, not only for their own personal advantage, but that they might be made good citizens, and that they might learn the message of citizenship and be worthy members of the State.

The speaker referred to the grave crisis, perhaps unprecedented, through which the country was passing. He thought that other countries, lacking the stability of Britain, would have crumpled up under the strain.

He re-echoed the words of the Headmaster that every boy would feel that he was not working merely to bring honour to himself or his family, but for higher things, the traditions of their school and the traditions of their country.

The knowledge that they had such traditions on which to build was an invaluable advantage to them all their lives.

A vote of thanks to the Earl was proposed by Mr. P. L. Birley, J.P., and seconded by the Rev. R. W. M. Holme.

The assembly room, where the ceremony was held, was crowded.

Annual Meeting and Dinner, 1930.

The Eleventh Annual Meeting of the Association was held at the School on November 19th. The President referred to the loss of C. E. Thornley, and the members stood in silence.

The minutes of the previous meeting and the Balance Sheet showing a balance in hand of £57/11/11 were read and approved.

The Secretary stated that the membership of the Association was 242, and included 115 life members. The President paid a tribute to the work of the Hon. Sec. and Treasurer and appealed to members to lighten his labours. A very hearty vote of thanks was accorded to Mr. J. H. Rigby, and he was unanimously re-elected.

The Committee for the ensuing year was constituted as follows :—The President, the Hon. Sec. and Treas., Messrs. H. Parkinson, R. S. Crozier, H. F. Tomlinson, F. A. Mullineaux, R. W. Parker, A. Bamford, J. Threlfall, F. H. Jolly, H. Coupe, J. P. Coleman, with R. Swan as the representative of the present school.

The President reported on the progress made with the Pavilion and the proposals to have a School Concert and an Old Boys' Dance in aid of the Pavilion Fund. Designs for the Old Boys' Blazer Badge were submitted and that of the Grand Clothing Hall, Preston, was unanimously accepted. It was decided that the Old Boys' Blazer could be purchased from any tailor or outfitter to suit the convenience of members, provided it was correct in colour, but that the badge could only be obtained from the Grand Clothing Hall, Preston.

After the meeting a representative company of members numbering 102 sat down to dinner in the School Assembly Hall. The customary toasts were duly honoured. Mr. Albert Hodgson proved an excellent entertainer, and a very festive and congenial evening was spent.

In the afternoon the annual football match, Past v. Present, was played. The Old Boys won a very hardly contested game by 8 points to 6.

Old Boys Dance.

A most successful Dance was held at the School on January 9th. The attendance reached 170 and the Assembly Hall looked most charming thanks to the labours of several Old Boys and the plants kindly lent by Mr. W. Duckworth. The "Rialto" Band, ably led by an Old Boy, A. W. Thompson, excelled themselves. The dance was voted a great success and a profit of £27/11/4 was realised for the Pavilion Fund.

W. J. S.

K.G.S. past and present will receive with many regrets the news that the Rev. W. J. Symonds is retiring.

After more than 40 years of strenuous teaching none of us can grudge him a well earned rest or rather a change of work, but we shall miss him and not forget him.

During 14 years at K.G.S. many scholars have passed through his capable hands and there are many who feel to-day sincere gratitude for the instruction and help received from him.

Mr. Symonds came to K.G.S. in 1917 to undertake the Science teaching. He was acting Headmaster during the Summer Term of 1919. Since 1919 he has been in charge of the Mathematical teaching with gratifying success. Not least among his activities in the interests of K.G.S. has been his work as Secretary of the Sports Committee for 14 years.

He takes up his duties at Sabden, near Burnley, in October and the good wishes of all K.G.S. go with him.

Obituary.

We deeply regret the deaths of the following Old Boys :—

B. STUTTARD, of Preston, on February 6th, 1931, who was a Master at K.G.S. 1866-85.

T. V. BARKER, of Oxford, on April 15th, 1931, who was at School 1893-98.

W. GARDNER, of Kirkham, on April 27th, 1931, who was at School 1895-6.

In Memoriam Benjamin Stuttard.

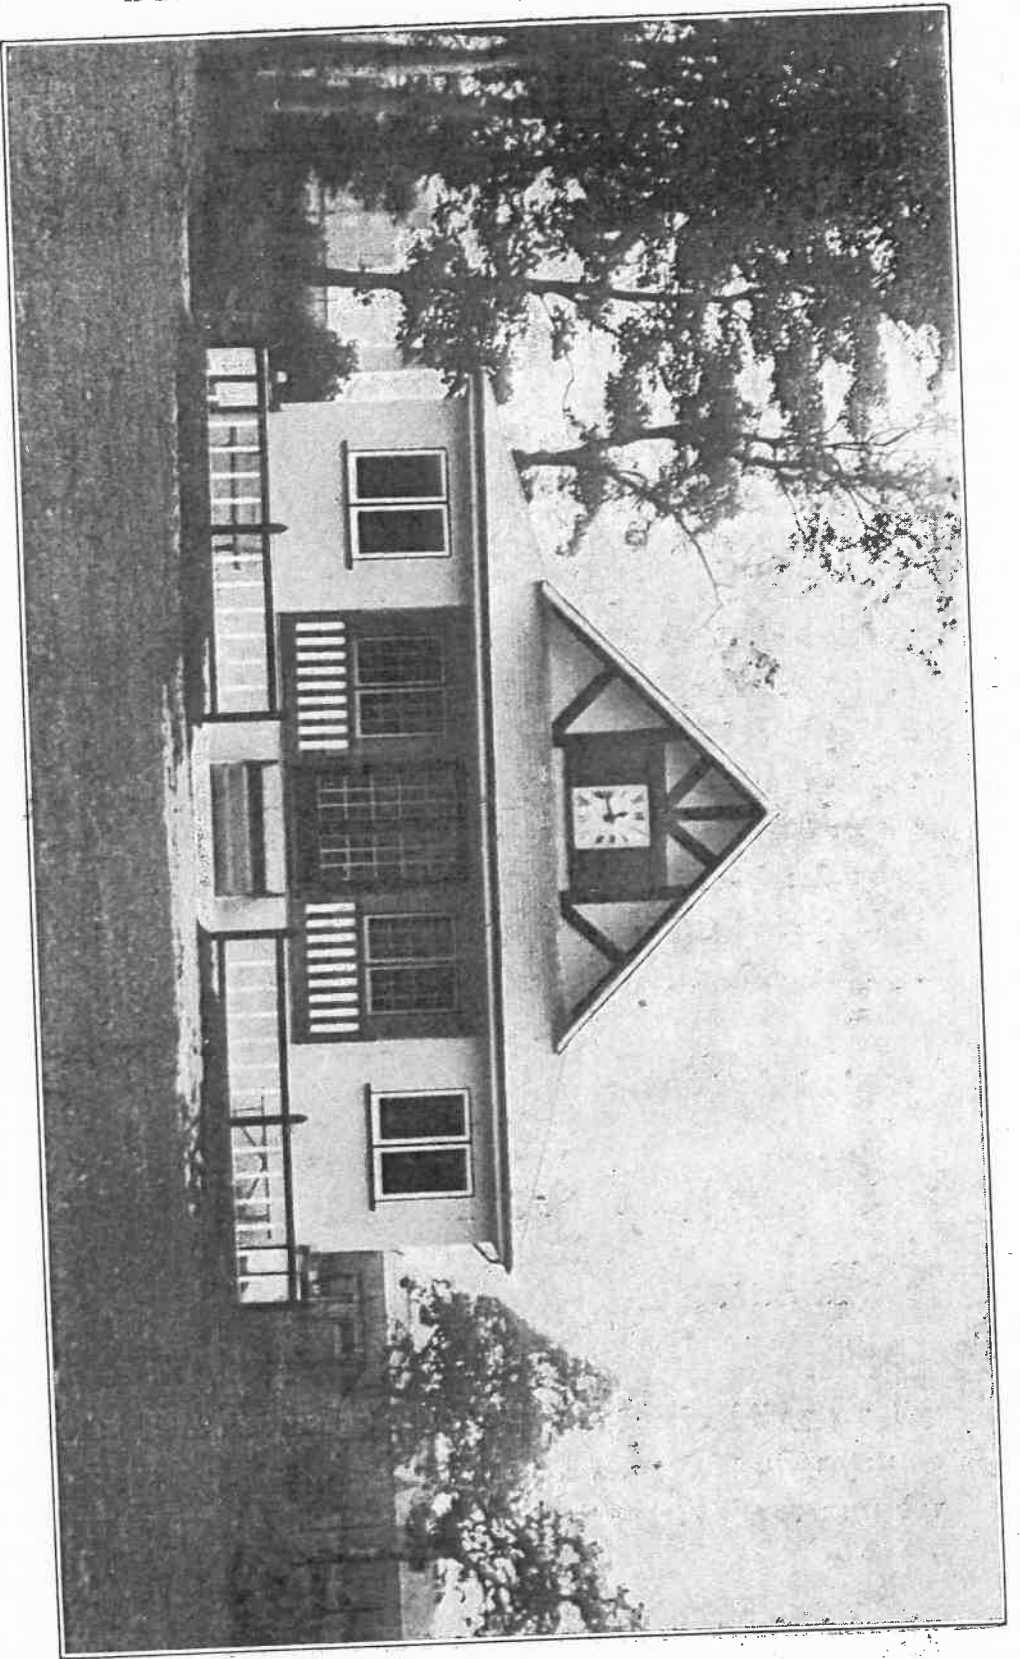

A link with the past has been broken by the death at the age of 90 of Mr. Benjamin Stuttard. He was a master at K. G. S. from 1866 to 1885 and those who remember him in this capacity will bear witness to the kindness of his personality. To the end he retained his interest in the old school and every year gave his prizes for English. In 1924 he was elected an Honorary Life Member of K.G.S. Old Boys Association.

In Memoriam T. V. Barker.

Many will remember the great pleasure given by the visit of Dr. T. V. Barker and Mrs. Barker in July 1928, when Dr. Barker presented the prizes at his old school.

It was a grievous shock to hear of his early death on April 15th, 1931, the result of an operation involving the amputation of his leg.

We are indebted to the Rev. C. M. E. Hicks for the following appreciation. T. V. Barker and C. M. E. Hicks were schoolfellows at K.G.S. and undergraduates together at Oxford, and the latter had the sad privilege of assisting at the funeral of his distinguished friend.

THE NEW PAVILION AND MEMORIAL CLOCK.

"T. V. Barker's career was a distinguished one. It included a Senior Demysip at Magdalen in 1905, followed by a Research Fellowship at Brasenose in 1913. He had also developed a great grasp of business methods and principles, and these had some scope when in 1921 he was appointed Secretary to the Delegates of the University Museum and when in 1926 many of the arrangements for the visit of the British Association to Oxford fell upon him. In 1928, he was asked to become Secretary to the Curators of the University Chest, in charge that is of the business of the University. He had already made a name for himself in the world of Science. In 1904 he gained 2nd Class Honours in the Final School of Natural Science with distinction in Mineralogy and Crystallography. He was led increasingly to research in crystallography and ultimately in 1908 went to Petrograd—to continue research work under Professor E. S. Fedorov. Incidentally he had had to learn the Russian language but to good purpose, because when he was taken from us he had started on a work that would have been of the greatest value and importance to crystallographers. He found that Professor Fedorov had evolved a system for the classification of crystals, but that it was too complicated to be of practical or general use. Eventually Dr. Barker (he took his Doctorate in Science in 1924), during fifteen years worked out a fresh and simpler but comprehensive system and published the principles of the classification. Last year he put out "The Study of Crystals" and "Systematic Crystallography" (Murby & Co.) and he was to have been engaged during the next five years in the completion of a large Dictionary of the angles of all crystal substances measured. His system was becoming known, as witness the fact that quite recently a Dutch scientist came to Oxford purposely to learn the system from him: and ultimately it would have been generally adopted. His activities were very varied, as shown by the positions he held in addition to those already mentioned. Amongst other offices held he was a Curator of the Bodleian Library, a Member of the Committee of Management of the

Lewis Evans Collection, one of the Board of Electors to the Professorship of Geology, a Co-opted member of the Faculty of Physical Science, and a member of the Council of Somerville College for Women, Oxford. But I doubt if even in these matters, important and varied as they are—lay his chief talent. For outstanding in his character was a genuine love of his fellows, that found its continual satisfaction in his kindly and genial treatment of all who came in contact with him. He was fundamentally large-minded and his capacity for interest in, and work for, his friends seemed steadily to grow.

His body was laid to rest on a beautiful spring Saturday afternoon at Wolvercote Cemetery, just outside Oxford. The showers of April were kind to us, and the whole setting seemed to me just right. Oxford on a Saturday afternoon in Vacation represented the shared claims of the University and the outside world in his life; the Spring reminded me of the vigour of his still expanding powers, now transferred, as we Christians can confidently believe, to a sphere of enlarged usefulness; and Nature in storm-cloud, sunshine and opening bud, told me of that glorious field of adventure and discovery, in which his mind so steadily worked."

The Pavilion.

The construction of the Pavilion is complete and gives great satisfaction. It has been in use this summer and appears to have had an inspiring effect upon our School XI. who have had a most successful season.

It is a fine addition to the school and is a building worthy of its beautiful surroundings. K.G.S. owes a debt of gratitude to H. Cartmell for his work as honorary architect and for supervising all details of construction.

In addition to those whose names we published in the last issue of the Chronicle the following have kindly joined in guaranteeing the amount advanced by the Midland Bank,

C. J. Cross, J. R. Glover, F. Mycock. Sixteen members in all have rendered this very valuable service and we hope to see this liability cancelled in a few weeks time.

The Pavilion Clock.

The beautiful pavilion is most worthily completed by the handsome memorial clock. A tablet bearing the following inscription is to be placed in the pavilion, "The Clock is to the memory of Alfred Vincent Catterall, who was at K.G.S. 1891-7, and a Governor of the School from 1921 until his death July 29th, 1925.—given by his family."

We render most sincere thanks to Mrs. Catterall and the family for this benefaction. It commemorates most fittingly one who as man and boy was a lover of K.G.S. and a great sportsman.

The Gala.

It remains to raise some £200 to clear the debt on the Pavilion. We are hoping to do this on August 1st, when a Grand Gala is to be held on the School Playing Field. In addition to all the usual attractions there will be a wonderful parade of local Rose Queens, and a competition for children under 16 for the best cotton dress. The Kirkham Women's Institute are giving a series of excellent dramatic performances in the School Assembly Hall. There will be a most attractive array of side-shows and competitions. The boys of the School have sold more than 2,000 tickets. We hope for fine weather and we ask all Old Boys to make a special point of turning up with their friends.

Sports, 1931.

The 32nd Annual Sports Meeting was held on Wednesday, May 20th.

The weather was exceptionally fine and there was a good attendance of parents and friends.

The several events were, as usual, keenly contested. Record points were awarded as in the previous year, to all competitors who succeeded in beating school records, and in addition extra points were given to all who were successful in beating a given standard time, etc. The results justified the innovation.

The School House carried off the House Trophy with 93 points, Lytham came second with 76 points, and Kirkham third with 72 points.

The Contest for the Victor Ludorum Cup resulted in R. N. Stansfield being the winner with 56 points, L. Heathcote was a good second with 50 points. Stansfield secured four firsts, viz:—100 yards, 220 yards, $\frac{1}{4}$ mile, and Putting the Weight.

J. Tomlinson easily won the Junior Championship Cup.

The Cross Country Cup was won by the Blackpool House, the Fylde House being second.

In the Junior Cross Country the order was reversed, the Fylde House being first, Blackpool Second.

Heathcote was first home in the Senior Event, and Salthouse in the Junior Event.

The Prizes were presented by Mrs. P. J. Tomlinson, Mayoress of Blackpool.

K.G.S. Past and Present Cricket Match, 1931.

The annual Cricket Match was played on July 1st, under pleasant weather conditions. In spite of the fact that many prominent players were unable to take part, the Old Boys fielded a fairly strong side.

Winning the toss the Present School did so well that they were able to declare at 207 for 6. After a poor start the Old Boys batted consistently but never looked like saving the game, and the Present School won by 110 runs. Jones and Pollard bowled well. Mrs. Strange entertained both teams to tea in the new Pavilion.
