Dear Parents

Co-Curricular Clubs Summer Term 2021

As many of you are already aware, the co-curricular opportunities on offer at Kirkham Grammar Junior, Infant and Pre-School play an important part in the holistic education we offer. Following the disruption last term due to lockdown, I am delighted to write with details of the full range of school clubs that are available to pupils this term. Please take the time to discuss and plan choices with your child so as they are able to participate fully, whilst keeping an appropriate balance with their academic work.

All co-curricular clubs will begin the week commencing Monday 26 April 2021 and will run between 3.50 pm and 5.00 pm unless otherwise stated. If for whatever reason your child is unable to attend a session, please ensure that the School Office or member of staff taking the activity is aware, as registers are taken, to ensure the safety of all the pupils. Children not collected by 5.05 pm will be transferred to the Late Room situated in the Junior Hall. Please note that a £3 charge will be incurred in such instances.

All activities will be offered within each of the bubbles across the school. In order to reduce the transfer of paper between school and home, we would ask that you register your child for the desired after school activities via a simple form within your child's Google Classroom. We would ask that they are completed no later than 5 pm on Friday 23 April 2021. All that will be required is for you to enter your child's name, form and select the co-curricular activity options you would like them to attend. There is no need to register for the lunchtime activities.

If you select for your child to attend an activity provided by an external provider, we will forward you the necessary paperwork and ask that the necessary payment and required details are completed in line with the information in this letter. This is to minimise 'touch points of contact' by items not passing through the traditional school system (bags, class teachers, office, external provider). Thank you for your understanding and support in this approach. For some activities, places are limited and allocation will be made on a first come, first served basis.

Please be aware that some times and activities may alter throughout the term depending on other school commitments. We will endeavour to keep you informed in advance in such circumstances and thank you for your understanding in these instances. All clubs will complete their last session during the week commencing Monday 21 June 2021.

Should you have any further questions regarding any of the activities on offer, please contact the School Office.

Yours sincerely

Mr S Lewis
