# K.G.S. Chronicle

No. 22.

JULY, 1941.

Dear Old Boys of K.G.S.,

More than ever do I feel moved to send you a message of greeting and fellowship from your old school.

Very many of you are on active service and all of you must be bearing a full burden. It has been our pleasure and privilege to see and welcome many of you and to hear from others. It is fine to see how you are all filled with the spirit of glad service in a great crusade. It is good also to hear from many that the experiences of common life and service at K.G.S. in the days of boyhood have been a great help to you in tackling a new experience.

We at K.G.S. are carrying on, and outwardly all goes on much as you knew it. In reality it becomes increasingly difficult to keep the standard of work and spirit on the high K.G.S. level. I believe we have been successful so far in doing this, and we shall ever strive to do so. We owe this to you as well as to ourselves.

You are constantly remembered here at school, and I know that in many widely different places there will often come happy thoughts of school days and school friends.

Mrs. Strange and I, and all at K.G.S., send to you all our affectionate good wishes. Do you remember the old tug-of-war call, "take the strain"? We are all taking the strain, and the pull may be hard and long, but when victory is well and truly won how good it will be to welcome you again and to see the old familiar faces in the old familiar places.

It is necessary in the interest of national economy to curtail the *Chronicle*, but I trust even in its wartime form it will be as welcome as ever.

Yours sincerely,

CRESSWELL STRANGE.

## School Notes.

The number of boys in the School (Summer, 1941) was 268, divided among the Houses as follows : Preston 61, Fylde 60, School House 51, Kirkham 50, Lytham 46.

It has been necessary to make a change in the House system to obtain a more equal distribution of numbers. The former Blackpool House, which included boys from Blackpool, Preston and Wesham, has had its area restricted to the Preston district, and becomes the Preston House. Lytham takes in all the coastal areas. Wesham joins Kirkham.

## Rugby Football, 1940-41.

The 1940-41 Fifteen is probably the best we have ever had. Three new records were set up : the biggest number of wins in a season (11), the highest total of points scored in a season (442), and all home games won for the first time in our rugger history.

Once more it can be said that success has not been the result of the outstanding play of one or two members of the team, but rather that it has been the outcome of very good team work in support of the able captaincy of D. R. W. Smith.

**Prize Day, 1940.**

Prize Day was held on July 31st. The prizes were presented by the Bishop of Lancaster (the Rt. Rev. B. Pollard). The Rev. R. W. M. Holme, M.A., Chairman of the Governors, presided. The Headmaster presented his 21st Annual Report on the work and progress of the school.

The Bishop said emphasis has been laid upon the school's splendid record of physical prowess and the health and fitness, as well as the intellectual attainments of those

who attended. But there was another side of life. The great Master said the purpose of His coming was that we might have free and abounding life. We sometimes overlooked the fact that it was impossible to have it unless we remembered that life was not a single thing, but threefold. Two had been indicated: the life of the body and the life of the mind. There was also that which really constituted them as men—the life of the spirit. When we think about living our lives in this modern insane world, we must not only think of that dual life, but remember that the most important part is the life of the spirit. If they could understand the meaning of that it would be their aim to make sure that the kind of insanity which had happened twice in the world in his time did not happen again. He urged the boys to believe that every one of them could be an instrument of God's purpose for creating a better world, for which their elder brothers were giving, and would give, their lives.

We deeply regret the deaths of the following Old Boys:

J. B. JELLY, of Sheffield, on December 24th, 1940, who was at School 1923-30.

F. BENNETT, of Kirkham, on May 7th, 1941, who was at School 1889-94.

### **H. Greenway.**

Many Old Boys will rejoice to know that Harry Greenway (1922-30) is alive and well. His mother received a card from him last December saying that he was in a prison camp in Germany. Letters will be very welcome addressed :

Harry Greenway,  
British Interned Civilian No. 110/200,  
Ilag VIII Tost,  
Bei Gleiwitz,  
Silesia, Germany.

Envelopes should be marked "PRISONERS OF WAR POST," and sender's name and address on back of envelope.

No stamp required unless sent by Air Mail, 5d.

### **The Rev. R. W. M. Holme.**

K.G.S. suffered a heavy blow by the death on March 4th of the Rev. R. W. M. Holme, M.A., Chairman of the Governors.

Mr. Holme had been a Governor of the School since 1907, and Vice-Chairman of the Governors from 1921 to 1934, and Chairman since 1934. Under his Chairmanship the great extensions to the buildings and playing fields were successfully carried out, and his name is fittingly commemorated on the foundation stone which he laid in 1937.

His interest in the school was very strong, and his pride in its success and reputation very great.

He was a member of the Old Boys' Association from its early days, and took a great interest in all the activities of K.G.S. past and present. He will long be held in grateful remembrance.

### **The Rev. E. Parker.**

K.G.S. suffered another heavy blow by the death on April 8th of the Rev. E. Parker, Vice-Chairman of the Governors.

Mr. Parker had been a Governor since 1934, and in 1940 was elected Vice-Chairman of the Governors. He too

was a member of the Old Boys' Association. He was most faithful in the duties of his office, and constantly showed his interest in the school and its welfare.

K.G.S. shares with the Parish of Kirkham the sad loss of a leader and friend.

### **Mr. J. J. Cockshott, O.B.E.**

We regret to record the death on August 7th, 1940, of Mr. J. J. Cockshott. Mr. Cockshott was in his 93rd year, and was the oldest living Old Boy of K.G.S. Two years ago we published in the *Chronicle* a photograph of Mr. Cockshott and some memories of his days at K.G.S. (1854-57).

He always maintained a strong interest in his old school. He was an Old Boy of whom K.G.S. was deservedly very proud.

### **Mrs. Walton.**

Many Old Boys will hear with regret of the passing of Mrs. Walton on January 18th.

Those who were at K.G.S. from 1904-19 will have many happy memories of Mrs. Walton's kindness.

Since Mr. Walton's death in 1919, Mrs. Walton has resided near the school, and has always taken a great and very helpful interest in K.G.S.

### **Athletic Sports, 1941.**

The Annual Sports were held on Wednesday, May 21st, when, in spite of wretched weather and war-time conditions, we witnessed many exceptionally good athletic performances. Six records were broken in Open Events and one in the Junior Events.

All prizes were replaced by certificates, and all present missed the familiar prize-giving ceremony.

We were sorry, too, that the war made it impossible for us to provide tea for our numerous guests.
