### GENERAL INFORMATION

There are 4 types of scholarship in the Sixth Form – academic, drama, music and sport.

**Academic** applicants should achieve Grade 7 or above at GCSE. Awards will be granted after the publication of GCSE results.

**Drama** scholarships will be awarded on demonstration of potential contribution in the performance sphere. Candidates will normally have some experience of public performance including scripted and devised acting/performance and the technical aspects of the subject (lights, sound, set etc.). This is not a Musical Theatre scholarship.

**Music** scholarships will be awarded on the demonstration of potential contribution in the musical sphere. Candidates will normally be expected to be at Grade 7 although the school will reserve the right to allocate an award to those on a lower grade who are judged to have outstanding potential.
