

Message from the Headmistress

Dear Parents

The week has yet again flown by; we started off on Monday with a day of filming across the Junior, Infant and Pre-School. Your children were an absolute credit to you and showcased the truly wonderful learning that takes place both in and outside the classroom with an air of quiet confidence. I look forward to sharing the results of this with you in due course and would like to thank you for your support in sending your child/children into school immaculately dressed; they were clearly very proud of wearing their Kirkham Grammar School uniform on this day!

As you will have noticed, our carpark is becoming more challenging to navigate due to increased pupil numbers at School. I am pleased to inform you, however, that plans are afoot to adapt the entrance and exit routes to the playground, and also to reconfigure the area, alongside increasing the number of spaces. Phased work on these plans will commence this July/August 2021, which will hopefully begin to aid in alleviating congestion at drop off and collection times.

May I remind you that on Thursday next week Tempest Photography will be in school to take individual and sibling photographs. On this occasion, due to COVID-19, we will not be able to include Senior School pupils in the sibling photographs. We apologise for any disappointment that this may cause; naturally our intention is to ensure the safety of all our pupils and their families at this time.

I hope you all enjoy a relaxing Bank Holiday weekend and look forward to seeing you again on Tuesday.

With best wishes

Mrs O'Donoghue
Headmistress
