

Dear Parents,

I do hope that the School Cloud Parents' Evenings went well from your perspective; thank you for the wonderful feedback that I received this morning in relation to this event. You are more than welcome to make further appointments with your child's Class Teacher via the School Office should this be required.

Next week we are delighted to be able to invite you into School for our Infant Achievement Assembly and Junior Achievement Assembly, which will take place on Monday 18 and Tuesday 19 October respectively. These assemblies will start at 8.50 am and will last around 20 minutes. Should you wish to attend, please simply report to the School Office at 8.45 am where you will be shown to your seat in the School Hall. We look forward to welcoming you back into School.

Our Pre-School pupils are very excited about Pumpkin Week next week, and I know that their teachers have plenty of exciting events planned for them. A polite reminder that it would be wonderful if each of our Pre-School pupils brought in a pumpkin next week – the pumpkin should be intact with no carvings, I am sure you will be relieved to hear!

At the end of next week for all of our pupils, during Friday afternoon, we have decided that they would benefit from some downtime together as a class. During this time, they will watch a Hallowe'en-style, age-appropriate movie, with their class. The Infants will watch a U movie, and the Juniors will watch a PG movie. This will enable them to enjoy some fun and laughter as a group before embarking upon the two-week holiday. They will also be sent home with a confectionary gift, with all dietary requirements taken into consideration. Lessons will take place as normal in the morning, but they may wish to adorn a Hallowe'en-inspired accessory during the day. Should you have any questions about this then please do not hesitate to get in touch with your child's Class Teacher.

Wishing you all a restful weekend.

Mrs O'Donoghue
Headmistress
