

Dear Parents

With only three weeks to go before the end of the academic year, I thought it may be useful to provide you at this point with the uniform lists for Pre-School, Infant and Junior pupils for the Autumn Term – please find these lists attached. Uniform can be purchased via a prearranged appointment with the School Shop or by placing an order over the telephone with them. Should you have any further questions in this regard then please do get in touch with the School Office.

In the Junior, Infant and Pre-School, we have taken the decision to continue to allow the pupils to wear their PE kit during the next academic year on the days that your child has a timetabled PE lesson only. This will therefore be something that you as parents (Pre-School – present J3) may wish to factor in when ordering uniform items. This decision will remain under review; however, we have all felt that this has had a positive impact on our pupils' engagement with physical education, reduced time lost and anxiety surrounding misplaced items and ensured that lesson time is used effectively. Naturally we are still keen to ensure that our younger pupils learn to dress and organise themselves and grow in independence, and this element of learning will still be encouraged and developed in other areas of the curriculum.

On Monday, a letter will be sent home asking your child to select their preferred meal for our Beach Party on 25 June. Please do chat with your child/ren about the following menu items in preparation for them making a swift decision on this day; they only need to make a choice about the burger, please.

With best wishes for a wonderful weekend.
