

Dear Parent/Guardian

We are delighted to be supporting the NSPCC by taking part in a whole school Number Day on **Friday 3 February 2023**. Pupils will be able to attend school wearing their school uniform and an item of clothing which has a number/s on. We kindly ask that in return, a donation of your choice is made using the JustGiving link below, which is also on our social media pages:

### **Everything the NSPCC does protects children today**

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that is always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

### **Making mathematics meaningful**

‘Number Day’ is a great way to make mathematics fun and bring about a positive, ‘can-do’ attitude towards it.

### **It all adds up**

We are really looking forward to all the fun of ‘Number Day’, and we really appreciate your support. All the money we raise at Kirkham Grammar School will make an enormous difference to children today, and help the NSPCC be there for children tomorrow.

With best wishes

Mrs N Rowlands  
(Assistant Head, Mathematics)
