Noah's Ark

A long time ago, people on Earth were doing many bad things. This made God very sad. He decided to send a big flood to clean the earth. But there was one good man named Noah. God was pleased with him. God told Noah to build a big boat called an ark. It had to be very large to hold his family and many animals. God said, "Take two of every kind of animal—one male and one female—and bring them into the ark. Also, bring food for everyone." Noah listened to God and did everything exactly as he was told.
