

Weekly Newsletter – 4th December 2020

All our Christmas trees are up and we are starting to feel a little more ‘Christmassy’ in school although we are missing the sound of our instrumentalists practising Christmas carols at lunchtime and singing our favourite Christmas songs.

It is lovely to see a rail of Christmas costumes hanging up in the Infants and we are looking forward to virtually watching our Reception and Year 2 perform their own ‘bubble’ nativity. Year 1, traditionally our choir in the nativity will be sharing a delightful Christmas Assembly too.

A Near Miss on Nelson Street

Unfortunately, yesterday one of our Infant children was nearly hit by a car which had mounted the pavement on Nelson Street. The Governors also raised concerns at our recent meeting about cars parking on the zig zag and double yellow lines which is clearly putting our children at risk.

For the safety of our children please can I ask you to try and park away from Nelson Street and ensure that at no time cars stop on the zig zag or yellow lines. Traffic wardens and the police will be patrolling the area.

PSHE Policy and Scheme of Work Consultation

Just a reminder that we have added our proposed PSHE policy and scheme of work onto our website. We would be grateful if you could take the time to read the policy and if you have any comments or questions please click [here](#) for a link to a very brief survey or email the PSHE Governors Lisa Greenwood and Wendy Wilson (pshegovernor@kirkhamwesham.lancs.sch.uk).

Online Safety

Whilst technology has proved invaluable in so many ways over the last 8 months, it does of course bring risks to our children too. This term we have taken the opportunity to focus regularly on online safety with our children. However, I know that this is also an area of concern to a number of our parents. Therefore we intend to organise a session for parents in relation to technology, including managing online gaming, mobile phones and keeping your child safe.

If you are interested we would be grateful if you could click [here](#) to select your preferred dates and times.
