

Weekly Newsletter – 7th May 2021

We've had another hard-working week in school. The children should be so proud of their achievements – I have seen lots of lovely work in their books. I know Y2 were delighted to welcome Mrs Hankinson back too.

Unsettled Weather

It is hard to believe that we are in May with such cold weather. Unfortunately it is unlikely to become much warmer next week and the heavy showers are forecast to continue so please do continue to send your child to school with a waterproof coat.

Parent Governor Vacancy

Just a reminder that if you wish to stand as Parent Governor the nomination form must be returned by noon on Monday 10th May.

New Headteacher – Mr Lee Glynn

Mr Glynn popped into school on Wednesday morning to meet with myself and a few staff as part of the transition process. I know that he is planning to complete more visits so that he has met with all staff and children prior to September. He is also hoping to meet parents too if possible,

Masks in the Playground and School Building

Although, thankfully, the numbers of positive cases are dropping in most areas, please can I remind you that for the moment we are still expected to follow the Government's COVID Guidelines for Schools. Therefore, we continue to expect parents who come into the playground or the foyer to wear masks. Thank you for your support with this.

Bags in School

A number of parents have asked about children bringing bags to school. We ask, at the moment, that rucksacks etc still don't come into school due to the limit on space in the classrooms. However, if your child is juggling to carry their water bottle, reading pack etc, as stated in the Parental Guidelines sent home in March, they are more than welcome to use a plastic or cloth shopping bag which can be rolled up and put in their tray or coat pocket during the day.

We are very much hoping that we will receive further guidance in relation to COVID restrictions in schools over the coming weeks.

Many thanks for your continued support.

Rhiannon Jones
