

## Weekly Newsletter – 28th May 2021

What a lovely week we have had in school once again – it really has been a hive of activity with lots of exciting learning taking place.

### Visit by the New Headteacher – Mr Lee Glynn

Mr Glynn's current school is on holiday this week and so he took the opportunity to join us for 3 days. I know that Mr Glynn was really impressed by all the children and he was delighted to see such high standards, both in terms of their behaviour and work. He has given each class a sunflower and challenged them to find the best place in school to grow it and is looking forward to seeing which class will have the tallest sunflower by the end of the school year.

Mr Glynn has asked me to thank you for being so welcoming when he came into the playground before and at the end of the school day. It was lovely that he was able to meet so many of you and join us on Zoom for the Information Meeting with our new parents. He will be continuing to come into school each week during the next half-term so that he knows the KWPS family well before he takes up his post in September.

### Parent Governor Vacancy

Thank you to everyone who took the time to vote in the recent election. Colin Smy has been re-elected as a Parent Governor.

### COVID-19

Unfortunately, there continues to be a rise in the number of cases of COVID in the local area with bubbles closed at local primary schools and a secondary school in St Annes completely closed this week as they have had more cases in the last fortnight than in the previous 6 months.

Therefore, it is important that you remain vigilant to the 3 key symptoms of COVID-19. **If your child demonstrates symptoms within the next 48 hours and subsequently tests positive for COVID-19, you need to contact school by email at [head@kirkhamwesham.lancs.sch.uk](mailto:head@kirkhamwesham.lancs.sch.uk).** I am then required to contact the pupils or teachers in any bubble which may need to isolate as a result of a positive test. Fingers crossed this won't be needed.

If any symptoms develop after this weekend then there is no need to inform school as the usual Government track and trace system will operate.

### School re-opens on Monday 7<sup>th</sup> June.

Many thanks for all your support this term. Wishing you a lovely and safe holiday.

Rhiannon Jones
