

Dear KWPS Families,

How wonderful have all you marvellous mathematicians been over this last week or so? You answered a whopping 65,155 questions altogether - we are BLOWN AWAY by all your efforts and hope that you have had great fun as well.

We had a number of children across school who answered the maximum number of questions possible in the contest, 1000! If your name is here, your certificate and small prize will be on its way to you this week - very well done!

Y1 - **River, Oliver, Adelaide, Alfie**

Y2 - **Stanley, Scarlett and Olivia**

Y3 - **Robyn, Elizabeth, Joey, Lennon, Tilly** (Special mention to Robyn as our highest scoring pupil in the whole school; she was even 8<sup>th</sup> on the individual Lancashire leaderboard for a number of days! AWESOME achievement, Robyn!)

Y4 - **Charlotte B, Riley, Lewis, Declan, Henry, Thomas**

Y5 - **Richards, Martha, Katie, Nicole, Ruslans**

Y6 - **Sofia, Zac, Logan**

The next part of our competition within school was to see which house was the overall winner for our school. Every pupil who took part has earned a house point for their house but the winning house was **SYCAMORE**.

Congratulations Sycamore, you've earned an extra **10 marbles in the jar** for your house!

As we announced last week, **YEAR 4** earned the most points in our school and were 3<sup>rd</sup> on the Lancashire leaderboard. Well done, we are all so proud of you, Year 4!

Years 5 and 1 were close behind, earning the 5<sup>th</sup> and 10<sup>th</sup> spots respectively.

Special mention to Years 3 and 5 who had every single student in their class taking part.

A final, massive WELL DONE to all of you for taking part. Remember, keep using Sumdog even though the contest is over. There is another one coming very soon - watch this space!
