

Dear KWPS Families,

How wonderful have all you marvellous mathematicians been over this last week? In total, you answered 54,654 questions for the Sumdog contest and there were 44,140 correct answers. AMAZING!

We had a number of children across school who answered the maximum number of questions possible in the contest, 1000! If your name is here, your certificate and small prize will be in with your report when you collect it on Friday (unless we have already given it to you in school today) - very well done!

Reception - **Alfie**

Y1 - **Olivia**; special mention to **Harley** who didn't quite answer the full 1000 questions but who had the highest score in Y1.

Y2 - **Joey** and **Damir**

Y3 - **Declan, Lewis, Markuss**

Y4 - **Jenna, Katie, Olly, Ruslans, Nicole, Jessica**

Y5 - **Logan, Zac, Jack, Milana**

Y6 - **Jacob, Brendan, Riley, Alfie, Maksim**; special mention to **Brodey** who was just shy of the full 1000 but was second on the Y6 leaderboard for correct answers.

The next part of our competition within school was to see which house was the overall winner for our school. The winning house will receive 2 extra merit points for every pupil in that house who took part. Here are the results:

	Beech	Chestnut	Oak	Sycamore
Reception	3	1	1	3
Year 1	4	6	3	4
Year 2	4	3	5	4
Year 3	3	3	2	4
Year 4	4	3	4	5
Year 5	6	5	5	3
Year 6	7	6	7	6
Total	31	27	27	29

Congratulations **BEECH**, you've earned an extra 62 points for your house!

Now for the moment you have all been waiting for . . .

The national leaderboard is worked out on the average score for each class and there were only 15 points between the two classes with the highest average scores in our school. The leaders kept swapping every day BUT . . . drumroll please . . .

YEAR 6 were the final winners for our school with an average score of 496 and a national position of 75th. Brilliant achievement Year 6! Your prizes will be awarded when we see you all on Thursday.

Year 4 were close behind with an average score of 481 and placed 85th nationally - well done to you too!

A final, massive WELL DONE to all of you for taking part. Remember, you can keep using Sumdog throughout the holidays and if you're in Y2-Y6, keep practising those times tables on TTRS too! All the teachers are looking forward to you dazzling us with your marvellous maths skills in September.

Have a wonderful, relaxing summer break everyone!

Mrs Eccles

Maths Subject Leader
