Congratulations ~ Football and Netball Teams

We have had a busy week for sports with both our football and netball teams taking part in Inter-School League competitions at Carr Hill. Both teams played with great enthusiasm, showing a high level of sportsmanship in all their matches. Congratulations to everybody who took part in the matches and the children who are training hard at school to add depth to the teams.

Letter from the PTFA

A letter from the PTFA has been sent home tonight giving key dates for this term, in particular the forthcoming informal AGM which will be held in school on **Monday 14th October at 7.30pm**. All parents/grandparents are invited. I very much value the role played by the PTFA who organise special events for our pupils, as well as raising valuable funds and I know the children enjoy it when their parents get involved. So do please come and join us and find out more about what we do.

Photographs ~ Friday 11th October

The Tempest Photographer will be in school next Friday. Every child will automatically have an individual photograph taken, together with a family photograph if they have siblings in school. If you wish a **pre-school or secondary child** to be part of the family photograph please could you come to the school hall between 8.30 and 9.00am using the Infant entrance. A small copy of the photograph, together with details for ordering is normally sent home with the eldest child, once received. **Please note that there is no obligation to buy any photographs. This is merely a service which some parents find useful.**

Cancer Research ~ Thank you

We have had a recent donation to our cancer research fund raising page which makes the final total raised an amazing £2607.50. A huge thank you to everyone who has contributed to this.

One of our pupils, Ivy Whitlock, is having a belated MacMillan coffee morning tomorrow morning from 11.30am—1.30pm at Kirkham Cricket Club. There is no charge for entry and there are cakes and brews on offer. Alternatively if you are not able to make it but would like to contribute you can text TEAWAY4 which donates £5 to the MacMillan Fund.

School Visits

We have two visits taking place next week and I know the children are very much looking forward to them. Fingers crossed for better weather.

Unfortunately, visits are becoming increasingly expensive. This is largely due to the high cost of transport and the workshops which are usually additional to any entry fee. However, it is the workshops and activities which provide the key learning for the children so it would be a real shame not to use them. We are grateful to the PTFA who continue to subsidise our visits to help keep the costs down and to our parents who are enabling their children to have these memorable experiences.
