

KWPS ~ YELLOW PAGES

20TH SEPTEMBER 2019

Congratulations to our new Reception Class

Our new Reception children have enjoyed meeting up with all their classmates and have settled in beautifully during their first week together as a full class. They already feel like an established part of our school family and I was impressed with how well they all joined in during assembly. They should be very proud of themselves. We look forward to see them flourish over their next seven years with us.

Reception ~ Meet the Teacher Sessions ~ 2.50pm ~ Wednesday 25th September

Reception's Meet the Teacher session will be held next week Wednesday ~ please come into the Reception classroom via the green area.

Staffing Update—Mrs Chandler

Unfortunately Mrs Chandler had to have an unexpected operation last week. However, I am delighted to say that she is recovering well and anticipates being back in school a week on Monday. In the meantime her days will continue to be covered by Mrs Culshaw, and Mrs Comerford.

Book Fair

A huge thank you to everybody who supported our Book Fair last week. We have sold a record £865 worth of books which entitled us to over £400 worth of books free of charge which we will be using to supplement our home readers and library.

Bug Club

We have once again bought into Bug Club so there are books available online for all children from Year 1—Year 6. The link to this can be found on our website under Parents and Useful Resources. The password should be in your child's reading record book but please let us know if your child has not got it. Please can you emphasise with your child the importance of answering the 'bug' questions carefully, by referring to the text when necessary, rather than just guessing, as these will help to develop their comprehension skills.

`Thank you'

Thank you so much to one of our parents, Sarah Burndred who came in to talk to our Year 1 class about her role as a vet. The children thoroughly enjoyed it and have been putting into practise what they have learnt in their `vet` role play area.

A number of our parents are farmers and we are grateful to Emma Gardner for donating lots of apples and pears from her orchard to our school kitchen!

Flu Vaccinations

We have been notified that all children from R to Y6 are being given the option to have flu vaccinations this year. These are administered by a quick spray up the nose and will take place in school on December 5th.

A letter giving more details and a consent form has been sent home today. Please note that the vaccination cannot be administered without parental permission so if you do wish your children to receive it, the form needs to be returned to school by next Friday.

Dates for the Diary ~ Y1 Class Assembly

Thursday 17th October ~ 9.00am

Year 1 would like to invite their family members to join them for a class assembly when they will share some of what they have been learning this term.
