High quality teaching and learning needs the highest standards of behaviour.

Our behaviour code of conduct means that all students are required to:

- Arrive on time and in the correct uniform to all lessons.
- Be properly equipped for all lessons.
- Listen carefully and follow instructions.
- Be **ambitious**, working to the best of your ability when completing all classwork and homework to the highest standard.
- Be **respectful** towards others and our environment.
- Show **kindness** towards everyone in our community.

Our school is a community with a strong set of values that helps students develop a positive and confident attitude towards themselves and others together with a belief in their abilities to achieve their full potential.

Attendance Matters

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Every Day Counts!

A year is made up of 365 days.....190 of these days is spent in school.
That means you have 175 days of holidays for time with family,
friends, shopping, holidays, visits and appointments.

Attendance is key to academic
achievement.

If you are not in lessons then you
cannot progress.

There is a clear link between attendance
and academic achievement

The majority of students who have over
95% attendance will achieve 5 or more
