

Knutsford Academy Enrichment Timetable – Summer Term 2026

At Knutsford Academy, we are committed to providing an education that extends far beyond the traditional classroom setting. We believe that a well-rounded educational experience, coupled with targeted academic support, is crucial for fostering not only academic success but also personal growth and future readiness. This is why we wholeheartedly champion participation in our enrichment clubs and after-school revision sessions.

We strongly encourage all our students to explore the diverse range of enrichment clubs and take advantage of the valuable after-school revision opportunities available at Knutsford Academy. These initiatives are an investment in your child's holistic development and future success. If you have any questions, please do not hesitate to contact us.
