Introduction

This Home-School Agreement encapsulates our belief that parent/carer are a child's first and most important educators. It is designed to achieve the highest possible standards of achievement through close communication and effective partnership with parent/carer. It is a statement explaining:

- The school's aims, ethos and values;
- The school's responsibilities towards its students;
- The responsibility of each students' parent/carer, and
- What each school expects of its students.

This document will also hold centrally the schools core values of **respect** and **kindness**. At all times those involved in the life of a child will be expected to demonstrate these two values in all their interactions.

Scope

This Home-School Agreement applies to all students and their parent/carer at Knutsford Academy and Cheshire Studio School. It is available on the school website and is provided to all parent/carer and students.

Relationship to other policies

This Agreement relates most closely to the Behaviour and Attendance Policies. It impacts on our approach to the prospectus and our aims and values. It is also relevant to many other school policies.

Ethos of the school

The ethos of the school is to foster positive relationships between all members of the school community, including all students, parent/carer and staff. The school will act fairly in relation to students and parent/carer and we expect the same of students and parent/carer in relation to the school and its staff.

Knutsford Academy and Cheshire Studio School aims to achieve excellence in all they do so that:

- all students achieve excellent examination results that fully reflect their potential;
- develop skills and attitudes that equip them to gain employment and be successful in their chosen career, and
- develop wider skills and attitudes that equip them for life.

We do this through setting high expectations for students and staff, and working together to achieve and celebrate success.
