

Rewards Programme Christmas 2025

Rewards Programme – Christmas

Knutsford Academy has an **OUTSTANDING Rewards Programme** that is being consistently delivered to students across the academic year.

Our Rewards programme invites local ‘Business Partners’ to sponsor prizes for each year group, each term; enabling our school to offer rewards of more than £2000 each academic year.

We are excited to share with you the **Summer Terms Rewards** opportunities and hope that you seek as many opportunities as you can to get Praise Points by working hard in your academic students, or by engaging in the wide range of enrichment activities that we offer, or by showing our school values of ambition, respect and kindness within our community.
