

Enrichment at Knutsford Academy - Spring Term (Term 2)

Enrichment is such an important part of what we offer to all students at Knutsford Academy to help in the development of essential life skills and to build character.

We would encourage all students to regularly attend **at least one** club or activity each Term.

If you look at the timetable below and there is nothing that you are interested in, please speak directly to your form tutor or inform your School Council Representatives.
