Shoes

Boys

Girls

Further uniform rules:

- Uniform represents a professional dress code and as such we want to achieve high standards at all times; this includes the journey to and from school as well as on the school premises.
- Blazers are worn at all times; a plain navy knit blue 'V' neck jumper may be worn underneath the blazer.
- No hoodies or coats to be worn in the school building.
- Shirts must be tucked in at all times & skirts must be an appropriate length.
- All uniform & kit should be clearly named/labelled.
- The school discourages the use of make-up. Academy students may wear light make-up only
- Extreme hairstyles are not allowed. These are defined as hairstyles which in our opinion do not follow social conventions, can be considered to be part of an unsuitable fashion trend or would not be considered appropriate in many work environments.
- Long hair is expected to be tied up for practical lessons (PE, Hospitality, Science).
- One small stud is permitted in each ear. Nose studs are not allowed but a clear plastic retainer is permitted. Any other body piercings must be removed.
- Expensive items of clothing should not be worn or brought into school.
- Students' school bags must be appropriate for carrying A4 books, stationery, sportswear and other necessary equipment.
- Students should not bring more money into school than they should reasonably need for food, drink and travel.

Equipment for learning

Within the school bag students should have a base level of equipment including their planner, a reading book, a calculator and an equipped pencil case. The pencil case must contain the following:

- Ruler
- Pen (blue writing pen)
- Pencil
- Rubber
- Pencil sharpener
