Future additions of this newsletter will be available on MCAS

## Year 5/6 Cheerleading Event

Year 5/6 pupils recently enjoyed an exciting cheerleading event run by the Schools Sports Partnership alongside Fierce Elite Cheerleading. The children were keen to learn new routines and loved working together as they had a go at lifts. They showed brilliant teamwork, enthusiasm, and excellent behaviour throughout the session, making it a fun and memorable experience for everyone involved.

## Reading Challenge

We are thrilled with the response to the new home reading challenge launched in January and have already noticed a huge increase in the number of children reading at home. All pupils have now received a brand new reading record, and we kindly ask that any reading completed going forward is recorded in these. Thank you for your continued support in helping us encourage a love of reading at home.

## World Book Day 2026

We will be celebrating World Book Day 2026 on Thursday 5th March. On this day, children are warmly invited to come to school dressed as their favourite book character and are welcome to bring in their favourite book to share with their peers in class. We are looking forward to celebrating this special event as part of our passion for promoting a love of reading.

## Year 4 Snappy Opera

Year 4 pupils have now begun an exciting project working with the Mahogany Opera Team, where they will be developing a performance called The Neverbeast.

At the end of the project, the children will have the opportunity to perform at Grimsby Auditorium. Further information will be shared with parents as soon as possible.

## Parking

A polite reminder to all parents and carers to please avoid parking on the double yellow lines outside the school and across the driveways of nearby homes. These restrictions are in place to keep everyone safe and to ensure local residents can access their properties. Thank you for your cooperation and continued support.

## School Reports

Teachers are currently preparing school reports for all children. These reports will be available to parents on Monday 16th March and will provide an overview of how your child is currently working, as well as their goals for the remainder of the year.

Parents who wish to discuss the report or raise any worries/concerns will be invited to a parents' evening at a later date with their child's class teacher.

## Big Walk and Wheel Challenge

### 2026

We are excited to be taking part in the Big Walk and Wheel Challenge 2026, which will take place between 16th-27th March. During the challenge, our children will compete with other schools to see who can get the greatest number of pupils making active choices on their journey to and from school, such as walking, scooting or cycling. We encourage families to support and motivate their children to take part, helping to promote healthy habits.

## School Shoes

We would like to remind parents and carers about our school uniform, as we have recently noticed that some children are wearing footwear that is not suitable for school. All school shoes should be black, and while we are happy for children to wear a trainer-style shoe, these must also be completely black. Thank you for your continued support in helping us maintain a smart and safe school environment.
