

Share a Spare

Thank you to all of our families who have already kindly donated items for our Harvest Festival collection. Your generosity is greatly appreciated. As a reminder, donations can be brought into school until Monday 5th October. We hope that, together, we can make a real difference within our local community and support those who need it most. We are also proud to be making a donation to Harbour Place, helping to support their valuable work. Thank you for your continued support.

UPCOMING EVENTS

- * **Break up for Half Term**
Friday 16th October
- * **Return to School**
Monday 2nd November
- * **Year 3 Cenotaph Visit**
Wednesday 11th November

Parent Writing Workshops

Thank you to all of the parents and family members who attended our Writing Workshops last week. It was fantastic to see so many of you in school, sharing in your child's learning and celebrating their achievements. The children were delighted to welcome you into their classrooms and took great pride in showcasing their writing and the progress they have made. We greatly value the strong partnership between home and school and thank you for your continued support. As a school, we will continue to develop the strong foundations for writing within every class, ensuring that all pupils have the knowledge, skills and confidence they need to become successful writers.

We are so pleased to see our new handwriting programme 'Kinetic Letters' already making an impact with the children!

Kinetic Letters

Birthdays

We are delighted to introduce a special birthday treat for our pupils! Children are now welcome to come to school in non-uniform on their birthday. If your child's birthday falls on a weekend, they may wear non-uniform on the Friday before or the Monday after. The same applies if their birthday falls during a school holiday, allowing them to celebrate with their classmates on the nearest school day. We look forward to helping make our pupils' birthdays even more memorable!

Scooters and Bikes

Please can we ask all parents and carers to remind children that bikes and scooters must not be ridden through the playground. For the safety of everyone on site, children should dismount as they enter the school gates, wheel their bike or scooter through the playground, and place it neatly in the designated storage area.

Thank you for your support in helping us keep our school environment safe for all pupils and families.

ACE Club

We are excited to share that the newest ACE Club timetable will soon be available and open for bookings for the period after the October half term.

Our wide range of clubs continues to provide pupils with exciting opportunities to develop new skills, interests and friendships beyond the classroom. Keep an eye out for further details coming soon!

In the meantime, Miss Montgomery and Miss Cottingham will be sharing some of the fantastic highlights and successes from ACE Club over on the Laceby Acres Academy Instagram page, so be sure to follow along and see what our pupils have been enjoying.

Parent Consultations

A gentle reminder that Parent Consultation Evenings will take place on Wednesday 14th October and Thursday 15th October.

If you would like to meet with your child's class teacher, please ensure that you book an appointment slot via MCAS.

These meetings provide a valuable opportunity to discuss your child's progress, celebrate successes and explore ways we can continue to work together to support their learning.

We look forward to seeing you there.

Home Learning

Spelling of key words is a focus this term - all children should be able to spell the appropriate ones for their age group. Ask teacher if you haven't got a copy yet.

Please continue to support your child with reading at home. Your child will earn a raffle for the reading assembly everytime that they read.
