Dear Parents/Carers,

We apologise for the late notice in cancelling the carol singing last night. It is always a difficult decision to make as, whatever we do, we know that some people will agree and some people won't. I know it impacts on those of you who have taken time off work etc.

Ultimately, I have to consider the health, safety and well-being of our children, staff and you as well. There have been so many that have been poorly and are still struggling to feel 100% and, with the awful weather added to that, we felt it best to postpone. I wasn't happy for everyone to be out in the damp!

We will re-schedule for

Tuesday 16th December at 3.45pm

The arrangements will remain the same. If your child is not staying for the concert, please let the class teacher know.

Outside concerts – lovely though they are – are always going to be tricky to manage.

Thank you for your understanding,

Mrs Patterson

*Kind regards.*

*Caroline Patterson*
