AUGUST - OCTOBER 2025

WELCOME

Welcome to the third edition of our newsletter. Every half term we will be updating you on all things **NELPCF**: what we have been up to and what we have coming up.

WHAT DO WE DO?

We are North East Lincolnshire Parent Carer Forum (**NELPCF**). All Local Authorities need a Parent Carer Forum. We are a passionate group of parent carers, of children and young people with a range of needs and disabilities. We are separate from the Local Authority (LA) but our purpose is to work with them to help improve services and support for **SEND** families in North East Lincolnshire. We are here for parent carers: we hold Coffee Mornings, events and training and we make sure that we carry the voices of every parent carer that we speak to in any meeting that we attend. If you are a parent carer or grandparent of a child or young person, aged 0-25, who has, or may have, Special Educational Needs or Disabilities (**SEND**), then you can become a member of **NELPCF**. See our website or Facebook page for more information or ask one of our representatives for a membership form.

WHO ARE WE?

NELPCF consists of 6 Management Committee representatives and 14 **PCF** representatives.

Our 6 Management Committee reps are:

Ali
Courtney
Katy
Kayleigh
Lisa
Nic

We are all parent carers ourselves and strive for positive change for **SEND** families in North East Lincolnshire.

WHAT'S NEW?

We have been so busy behind the scenes, working on different projects and exciting opportunities for our parent carers. Let's take a look at what's new for **NELPCF**:

WORKPLACE COFFEE MORNINGS/AFTERNOONS

After hosting our very first workplace Coffee Afternoon at **LHP** (Lincolnshire Housing Partnership) in June, we are now on the lookout for more inclusive businesses who would like for us to visit their employees, who may be parent carers, at their place of work.

If you are an employer and would like for us to host a Coffee Morning/Afternoon at your place of work, then we would love to hear from you.

Please contact us via **email**: nelpcf@gmail.com

NEW REPS

In June we welcomed a further 5 **NELPCF** representatives to our growing team of volunteers. Please give a warm **NELPCF** welcome to **Deanna, Erika, Liam, Luke** and **Ryan** 🙌

We also saw **Jaime** join our team of **PCF** representatives and **Ali** became part of our Management Committee.

OUR BRAND NEW WEBSITE

We at **NELPCF** are conscious of ensuring that everyone is kept up to date with what we have been up to and what we have planned. We also know how important it is for our parent carers to have access to information on **SEND**, all in one place. Because of this, we asked the wonderful Sydney Krogh to redesign our website. This has been an ongoing project, and although it's not fully complete, our website is now live and we hope you find it more accessible and easier to navigate. Please take a look and let us know what you think: www.nelpcf.com

EVENINGS & WEEKENDS

NELPCF are very excited to announce that we will soon be hosting Coffee Evenings: (H)our Time, along with weekend Coffee Mornings. This is something we have wanted to do for a long time as we recognise how hard it is for working parent carers to meet us. Details to be announced soon...

AUGUST - OCTOBER 2025

NELPCF PROJECT SPOTLIGHT

Each term we will be shining a spotlight onto a project that our **NELPCF** team are involved in. This term, we want to tell you all about **PINS**:

PINS

PINS stands for Partnership for Inclusion of Neurodiversity in Schools. **NELPCF** has been involved in the **PINS** project since it started in February 2024. The project followed on from the Autism In Schools project, where 3 of our management committee met. **PINS** brings together health, education and parent carers to: shape **SEND** provision in mainstream primary schools; upskill school staff and strengthen partnerships between schools and parent carers. The schools that took part in the first year of the **PINS** project were: Coomb Briggs, Edward Heneage, Lisle Marsden and St. Joseph's. During the first year of the project the areas of focus were communication, inclusion, training and educational environment.

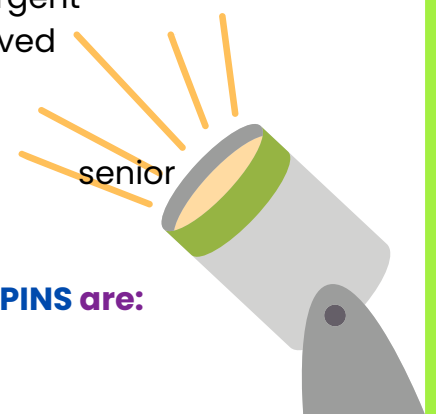

Our **NELPCF** representatives attended monthly Coffee Mornings/Afternoons to all four schools, along with training sessions and Prize Bingo events.

So what was the impact for parent carers of the four schools?

- **NELPCF** continue to embed the work achieved with the four schools and parent carers, by holding regular Coffee Mornings in all four schools.
- Parent carers received training on **SEND**, coproduction and the Local Offer.
- 3 out of the 4 schools' parent carers created their own WhatsApp group to stay connected with each other
- Parent carers worked with the schools to write/amend the schools' **SEND** Information Report.

And what was the impact for the schools?

- Schools received 14 different training opportunities, including areas such as sensory processing, understanding of neurodivergent conditions, **SEND** and mental health, autism in females, lived experience of Cerebral Palsy, Makaton and visual aids.
- The training was accessed by teachers, cleaning staff, lunchtime supervisors, pastoral, admin staff, SENCos, leadership and teaching assistants.

The schools that are due to take part in the second year of **PINS are:**
Bursar, Scartho Infants, Signhills Academy and St. Mary's.
We can't wait to work with parent carers and school staff.

MEET THE NELPCF TEAM

We are so proud of each and every one of our **NELPCF** team. Each half term, we will be shining a spotlight on one member of our team, for you to get to know them better.

LISA

Hi Lisa! Can you tell us about yourself?

Hi, I'm **Lisa**. I'm 50. I have two adopted children and I'm married to **Courtney** who is also part of the **NELPCF** Management Committee.

What's your role in NELPCF?

I'm part of the Management Committee and I'm also the Chair.

When and why did you join NELPCF?

I first joined in June 2022. I went to the Carers Centre as I needed help. I didn't want to feel alone with my thoughts anymore and I needed to find my tribe of parent carers that get it. They asked me if I wanted to start the Parent Carer Forum as we didn't have one. I went home to speak with my wife and she empowered me to do it. I soon met Leanne and Kirsty, and then Tony, and **NELPCF** was made from there. I know I was destined to join **NELPCF**. It has saved my sanity and I will be forever grateful that parent carers trust us and allow our team to be their voice. I love to stick the kettle on and give our parent carers a good listening to.

What are your passionate interests?

I enjoy creativity through art and mindfulness. I am also a very grateful member of **Al-Anon** (loved ones of alcoholics who meet to share experience, strength and hope) for the last 18 years. I support friends and families of alcoholics and drug misuse. This is where my saying "**keep it simple**" comes from.

What's a fun fact about yourself?

I love to dance and sing. I always try to have a dance off on a night out! And many more!

What would you like to see for the future of SEND provision in NE Lincs?

I would love for future **SEND** provision to be honest, equal and kind. Parent carers and young people must be central to all decisions made. Transparent communication is vital. Going forward this must happen. The Parent Carer Forum is about representation and this is what I have the gift to do, along with a tribe of superhuman Management Committee and representatives. Fetal Alcohol Spectrum Disorder (**FASD**) is also something I will always wave the flag for. I am passionate for FASD to be mentioned as commonly as autism and ADHD. I want to reach out to parent carers, foster carers and adopters to say this is not a taboo subject. These children, babies, teenagers and adults are needing us to understand all they are. A pathway for diagnosis needs to be available closer to home as there isn't one here. So come along and join us and remember to keep it simple!

AUGUST - OCTOBER 2025

WHAT DID WE GET UP TO LAST TERM?

NELPCF have had another busy half term. Our parent carer representatives are all volunteers and we are working so hard to advocate for **SEND** families in North East Lincolnshire. Let's take a look at the what we've been up to:

During this half term, we attended the following:

37 Coffee Mornings

3 Update Meetings with the LA

19 Community Events

23 Working Groups

1 Panel (as PCF reps)

7 Forum Meetings

3 Training Sessions

6 NELPCF Groups

TOTAL: 99 meetings

That works out to be an average of just over 13 meetings per week!

To anyone who has attended our Coffee Mornings, events or groups, reached out to us by email or Facebook, interacted with our posts on social media or told your friends and families about us, we thank you all for your continued support.
