Reach for the Stars

Share a Spare

Join us at Laceyby Acres Academy for our Harvest Festival, where we're embracing a 'Share a Spare' initiative!

We invite all parents, children, and staff to donate just one spare item from their food cupboard—whether it's a tin, packet, or dried food item—or add an extra item during your next grocery shop.

Together, we can make a huge impact by supporting the Morrisons Community Project.

Let's give back and make a difference this harvest season!

All donations will be gratefully received and should be brought into school with your child no later than Monday 13th October.

Thank you for supporting our school
