2nd July 2021

The Governors

As you know, we have a strong, supportive and committed Governing Board made up of parents, staff and community members, who help with the strategic decision-making to further improve school.

This year they haven't been able to come into school, but have still managed to attend lots of meetings virtually and they even carried out a zoom call with their 'adopt-a-class'. We hope that next year, we'll be able to welcome them back physically into school. But for now, here are their end of year thoughts...

w/c 5 July
KS1 sports week (sorry, no spectators allowed)

Fri 9 July
Y6 overnight camping

Fri 16 July
End of year reports going home

2021/22 classes and staff information going home

Y6 leavers' assembly (sorry, no spectators allowed)

As a new parent to Ladybridge as well as a new parent governor, I've had a very warm welcome from the team. I've loved seeing the enthusiasm of the students when I was able to speak to them virtually. I've been amazed at how the staff, parents and pupils have dealt with the challenges of the pandemic.
Nargis Jiva

Wow, what a year! The true Ladybridge spirit has shone through each member of our school community this year. From governors, staff, pupils and parents a huge thank you for the dedication all of you have shown, to keep our whole school community thriving during this challenging time. Nicola Burgess

Onwards and upwards... A tough year with this Covid-19 pandemic but the Ladybridge Community will continue to pull together for a bright and positive future on all fronts. Thanks to all of the dedicated governors, teachers, staff and management! Ahmad Khan

As your Vice Chair, this has been a difficult year and we feel that staff and children have been amazingly strong. With their strength and support, we will get through this. Edward Woo

The Ladybridge Primary community has really risen to the Covid challenge this year. A callout goes to the brand new PTFA who have still managed to make the children smile despite everything. Laura Kozera

A huge thanks to all members of staff for their dedication as well as to the parents and pupils for their continued cooperation throughout the many changes during another trying year. Rashida Khan

EVERYday
counts
attendance matters

Attendance Matters

This Week's Attendance

☹️ 95.2% ☹️

Class with the Best Attendance

😊 6L - 99.3% 😊

Most Punctual Class

😊 RB & 2B 😊

Remember how important it is to be in school all day, every day.

Class Focus

Each week, we focus on work undertaken by a different class. This week, it has been the turn of 1B, who say ... we have been focussing on geography in class. To start our exciting topic, on Monday, we had a very special trip to Crosby beach. We were incredibly lucky as we had the most amazing weather. We studied the features of the beach, and saw some huge ships entering and leaving the port. We made sandcastles, flew kites, ate ice-cream, ran up and down the sand dunes, and even paddled in the sea - which was surprisingly warm! At the end of the day, we were utterly exhausted from all the fun, but we learnt a lot about the seaside! We can't wait for our next exciting adventure!

"Penny Wars" 2021

What a great start we have had to our Penny Wars competition, which is now in full flow! Each class is taking part by collecting as much loose change as possible. The competition will run until the last week of term, when the winning class will receive a fantastic treat!

Each class has their own collection pot, so please continue sending your pennies into school.

Which class do you think is going to win?

Are Your Child's Details Up To Date?

Please advise the office immediately if any contact details change (eg, home address, parental contact number/email address etc). It is important that we are always able to contact you without delay.

Thank you.
