Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> Can you orally segment; quack, yell, zip and vet? What is 4 + 4? What is one more than 6 + 1?
Year 1	<ul style="list-style-type: none"> What 'ou' sound does the word boulder use? What happened in the 7 days of the Creation Story?
Year 2	<ul style="list-style-type: none"> How can we turn the word 'happy' into an adverb? What can you remember about Shabbat?
Year 3	<ul style="list-style-type: none"> What influence did the Ancient Greeks have on the western world? How do you work out the perimeter of a shape?
Year 4	<ul style="list-style-type: none"> Use the bus stop method to find $82 \div 3$, $56 \div 5$ and $73 \div 2$. Name 3 of The 10 Commandments.
Year 5	<ul style="list-style-type: none"> Approximately, how long was the Norman Conquest of England? What is the name of the male reproductive cell and the female reproductive cell, which are needed for mammals and birds to reproduce?
Year 6	<ul style="list-style-type: none"> Explain how to use passive verbs. What goods were rationed during and after World War 2?

KS2 Parents - Century

It's great to see so many pupils using Century. Here is our current leaderboard:

	Maths	English	Science
1st	Eleen Y5 Over 12 hours study	Eleen Y5 Over 21 hours study	Mohammed Ayaan Y5 Over 8 hours study

This is a brilliant resource that can help plug gaps, consolidate previous learning and accelerate new learning.

Earlier this week, information about parental access to 'Century' was posted on Class Dojo. This will enable you to support/track your child accessing this personalised learning platform when they aren't in school (evenings, weekends, holidays). If you or your child is having trouble accessing this site, please speak with your class teacher or Mrs Bendelow (in 6L). If your child doesn't have a device to use at home, then please message Mr Watson (who has access to some laptops for families who need them). We would love every child in KS2 to use this site to help them with learning at home.
