Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> Can you list 5 healthy foods? Can you find number bonds for 9?
Year 1	<ul style="list-style-type: none"> What is double 6? How many alternate 's' sounds can you name?
Year 2	<ul style="list-style-type: none"> How can we create different tones with a pencil? What is 'symmetry' and how can you find it?
Year 3	<ul style="list-style-type: none"> What do the words <u>diet</u> and <u>nutrition</u> mean? How many teaspoons of sugar are adults allowed per day?
Year 4	<ul style="list-style-type: none"> What 3 things are needed for a settlement? What is an improper fraction and what is a mixed number?
Year 5	<ul style="list-style-type: none"> What does the word 'Atman' mean in the Hindu religion? What is the Equator?
Year 6	<ul style="list-style-type: none"> Should Jemmy Button have been taken to England? Why? Convert $\frac{4}{25}$ and $\frac{6}{20}$ to their decimal equivalent.

Before half-term, our wonderful and hard-working PTFA provided hot chocolate and treats - thank you for supporting this. This event made over £500...amazing!

This is a brilliant resource that can help plug gaps, consolidate previous learning and accelerate new learning.

If you or your child is having trouble accessing this site, please speak with your class teacher or Mrs Bendelow (in 6L).

If your child doesn't have a device to use at home, then please message Mr Watson (who has access to some laptops for families who need them).

We would love every child in KS2 (Y3-6) to use this site to help them with learning at home.

Every lunchtime, we have members from our 'Pupil Power' groups, on duty, encouraging and helping children to achieve the daily good deeds/activities, from our calendars.

This year, we will be having a whole school celebration, for Holi. For the first time, we will be holding our very own 'festival of colour', for all pupils.

In addition to all of this, we are hoping to have visitors in school from our local church, mosque and temple. All of this half term's collective worship sessions, are also linked to the above festivals.

We love being such a diverse community, and being able to celebrate together.
