

Wall of Excellence

Congratulations to all of our pupils whose work has taken pride of place on our Wall of Excellence display in school. Class teachers have nominated these high quality pieces of work, which have been achieved through children's hard work and determination. The work on display reflects the wide range of topics being taught throughout school.

Fri 16 Oct
Harvest Donations to School

Weds 21 - Thur 22 Oct
Parents' Evening (by telephone)

Weds 21 Oct
Parents' Forum 6pm (provisional)

Mon 26 Oct - Fri 6 Nov (inc)
Half Term (School Closed)
School Re-opens Mon 9 Nov.

Attendance Matters

This Week's Attendance

😊 **96.5%** 😊

Class with the Best Attendance

😊 **6L - 99.2%** 😊

Most Punctual Class

😊 **Rec B and 6L** 😊

Remember Attendance Matters; Be in School All Day, Every Day

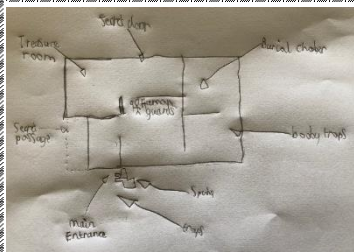

Unfortunately, we are unable to invite parents in to view the work as we would usually, so we hope you will join us in congratulating the children virtually. The work will remain on display for half a term, and we will continue encouraging all pupils to go 'beyond their best' to be the next Wall of Excellence champion! Individual pieces of work will be posted on each child's class Dojo story. Well done!

Over the last 2 weeks we have had to close the Y2, Y4 and Y5 bubbles and a number of children have also had to self-isolate because of bubbles outside of school. It is VITAL that you support your child in accessing the remote learning/guidance that has been put in place by school.

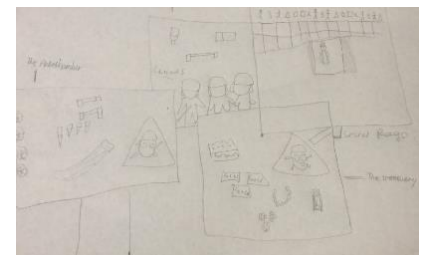

If your child is off school, self-isolating, and they don't do any work, then they will:

- fall behind others
- find it even harder to learn once they are back at school
- forget previous learning
- have gaps in their knowledge and understanding

We must work together to ensure that the impact of time away from school is minimised as much as possible.

Each week, we focus on work undertaken by a different class. This week, it was the turn of 4L who say... We may have been learning from home this week, but that didn't stop us! As part of our History topic, we have been learning all about pyramids so we created our own - out of Lego,

clay, even cereal and chocolate! Having learnt about Tutankhamun's incredible tomb, we then designed the inside of our own, complete with burial chambers, treasures, secret passages and booby traps. Did you know Tutankhamun's tomb was robbed by the people who put him in there? Or that he was buried with his chariot and jewellery, as well as a boomerang and a board game?

Parents' Evenings

Don't forget ... parents' meeting will take place by telephone over Wednesday 21st and/or Thursday 22nd October. To book your appointment, please visit <https://ladybridgeprimary.parentseveningsystem.co.uk>

The purpose of the parents' evening telephone call is:

- For your child's class teacher to share how well your child has settled, to share things that are going really well and also things that your child needs to improve.
- For you to ask any questions about your child's learning and also raise any concerns you have.

Congratulations to Mrs Baker who, last week, gave birth to a beautiful, healthy baby girl. What wonderful news! She has been named Annabelle Rose, and Mum and daughter are doing very well.

Unfortunately, this year we won't be able to hold our usual Harvest Festival assembly, because of Covid-19 restrictions. However, we would still like to support Bolton's Urban Outreach's Winter Watch and Storehouse Foodbank projects, and ask that children bring in donations like they do at this time, every year. We would be most grateful if you could send donations into your child's classroom(s) on Friday 16 October, so that all items can be placed in quarantine over the weekend, before being collected the following week. With this newsletter is a list of the types of donations that would be greatly appreciated by Bolton Outreach (eg, foods that do not easily perish, cleaning equipment or toiletries).

Thank you, in advance, for your kind generosity.
