Homework... WOW!

At the start of the summer term, we launched our new changes to the homework policy, so that the pupils in Years 2 to 6 can consolidate, reinforce and extend their knowledge whilst at home. We have been amazed by the quality and variety of learning, and the outcomes produced... raps, letters, models, presentations, timelines, collages, research, art work and reports.

Dear David Lloyd George,

I am writing this letter to inform you that all the women including myself feel that it isn't fair we are not permitted to vote unlike the men. With all due respect, the fact we can't vote because of our gender is incredibly outrageous! I demand for women to be seen as full citizens of the United States! America should be for everyone! Everyone should have an equal voice on how the country is governed! Even though you may not know it we are all equal. We are both people and citizens of America. Women should have the right to vote. Our voice should be heard as much as yours should. I mean this courteously, when I say you should listen to everyone's voices not just the men's! Don't you want to be known as the Prime Minister who put a stop to injustice? All I ask of you is to put a stop to this unjust situation and do something about it. For years women have been looked down at and all I want is for this cruelty to end. Please Sir George, we are desperate and are willing to do whatever it takes to make our voices heard.

I just want to feel at liberty, along with all the other women. We should be able to vote because we are alive and breathing just like you. I have a right to talk! And I will say it a million times if I have to. Like I said before I shall do whatever it takes and make our voices be heard. So please, give us the freedom we deserve.

Yours Sincerely, Susan . B Anthony

Each week, we focus on work undertaken by a different class. It has recently been the turn of 3L, who say ... during the week of lockdown, we were learning remotely but we certainly didn't let it lower our spirits! Over the last few weeks, we have been following our Charanga scheme in music. If we had been in school, we would have followed a singing course but, due to restrictions, we had to adapt the lessons and play our recorders instead. Learning at home, however, allowed the children to give singing their best shot! Some children even experimented with different instruments which was amazing to see! Thank you for being so great, 3L.

Wedding Bells

Congratulations to Miss Turnbull who became Mrs Jones during the half-term! We wish Mr and Mrs Jones every future happiness.

Smart Watches

If your child wears a smart watch to school, it is essential that the facilities to call, text and access the internet are switched OFF whilst your child is in school (including whilst at before and after school club). We will monitor the situation and, if we find that smart watches are still being used for any of those reasons, we will have to consider whether we need to completely ban these items from school.

REMINDER - WE ARE A NUT FREE SCHOOL

Please remember that nuts, and nut products are NOT allowed in school. This includes mixed selection boxes (eg. Quality Street, Roses, Celebrations, etc) as these contain chocolates with nuts. Any trace of nuts, even when chocolates are individually wrapped, can cause significant, potentially fatal, danger/harm to those children we have in school with nut allergies.

Father's Day Secrets' Room

Children have been given letters today for the Father's Day Secrets' Room, which is being organised by The PTFA to take place on Friday 18 June. If you would like to arrange for your child to purchase a gift, please send the slip and correct money in to your child's class by Tuesday 15 June 2021.
