Day (Non-Uniform)

EVERY day
counts
attendance matters

This Week's Attendance

😊 94.4% 😊

**Class with the
Best Attendance**

😊 Rec B - 98.8% 😊

Most Punctual Class

😊 4L and 5B 😊

Attendance Matters
Be in school all day,
every day.

Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> What does the word 'represent' mean? Can you name the 6 settings from the story 'We're Going on a Bear Hunt'?
Year 1	<ul style="list-style-type: none"> What do you know about Guy Fawkes and King James the First? Can you think of any adjectives to describe the Queen?
Year 2	<ul style="list-style-type: none"> Can you name 4 features of an information text? Who were Amelia Earhart and Amy Johnson?
Year 3	<ul style="list-style-type: none"> Can you explain how we use simple shapes in Art? Can you use the column subtraction method to answer this calculation, 382 - 191?
Year 4	<ul style="list-style-type: none"> What is 120mm - 4cm? Give your answer in mm and cm. Name 5 features of a newspaper article?
Year 5	<ul style="list-style-type: none"> What is a cubed number? What three things happen when a force is applied to an object?
Year 6	<ul style="list-style-type: none"> What features may a writer use to build suspense? Which is greater $\frac{5}{6}$ or $\frac{2}{3}$? Prove it.

Thank you to all those who supported the PTFA Halloween treats event last week.
The PTFA raised over £210.

TOO MANY TERM-TIME HOLIDAYS!

Problem: Towards the end of the summer term, some families decided to go on holiday before school had broken up for the summer. At the beginning of this term, some families decided to return to school after we had started, because they were still on holiday!

Solution: We have issued 30 fines (Fixed Penalty Notices) for families who decided to take a term-time holiday during the last two terms.

Pupils who miss school are more likely to be behind their peers and not achieve the same outcomes. Please **do not disadvantage your child** by taking them out of school during term-time.

Are you 'assembly' ready?

- Next week's theme is 'Forgiveness'.
- Do you think we should always forgive others, no matter what they do?
