(All KS1 children to come to school dressed in party clothes)

Attendance Matters

This Week's Attendance

😊 97.1% 😊

Class with the Best Attendance

😊 1B - 99.6% 😊

Most Punctual Class

😊 5L 😊

Remember Attendance Matters; Be in School All Day, Every Day

'The Spirit of Ladybridge'

At the end of the summer term, I am sure many of you will remember that Mrs Gavin retired after teaching for 31 years at Ladybridge. Earlier this term, she popped back in to present school with a new trophy, entitled:

'The Spirit of Ladybridge'.

This trophy will be awarded at the end of every term to a pupil who we feel has shown, through their behaviour, actions and words, that they fully embrace our motto of:

'Achieving Excellence Together'.

The successful pupil will have the trophy engraved with their name on, and will then proudly display the trophy at home for the next term. So, if you want to be awarded with this trophy, you'll need to think about all sorts of things, including:

- Do you think about how you behave towards others in the school and in the community?
- Are you an 'Always Child'?
- How do you go 'over and above' what is normally expected of a pupil at Ladybridge?
- Do you 'stand out' from others because of your actions, words and behaviour?

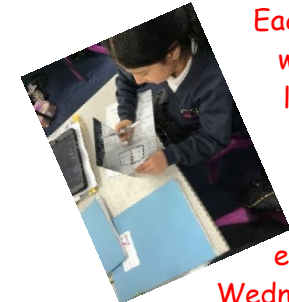

The children all looked fabulous today in their Christmas jumpers and accessories. Lots and lots of donations were made (thank you!) and The PTFA is still in the process of calculating the final amount. We will let you know in next week's newsletter how much was raised for the PTFA, who continue to work extremely hard to raise much-needed funds for our school. Thank you so much for your support and generosity.

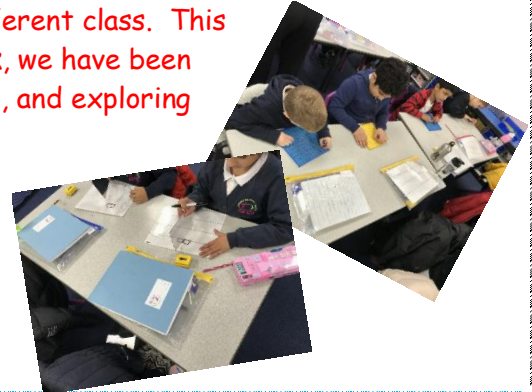

ANOTHER REMINDER

Nut-Free School

We are **STRICTLY** a nut-free school. This is extremely important as we do have some children with severe, potentially life-threatening, nut allergies. Please ensure that items such as Nutella, Snickers and cereal bars with nuts, etc are **NOT** sent into school.

Each week, we focus on work undertaken by a different class. This week, it was the turn of 2B who say ... This week, we have been looking at the properties of 2D shapes in maths, and exploring them in lots of memorable ways. We played games like 'Guess the Shape I am thinking of' and we had lots of fun using mirrors to explore vertical lines of symmetry on Wednesday. On Thursday, we used Geoboards to make shapes with elastic bands before we drew them ourselves.

Remember

Hands - Face - Space

Housepoint Winners

Congratulations to Diamond House, who are this term's winning house!

All pupils in Diamond are allowed to wear their own non-uniform clothes next Tuesday (15 December) and they will also receive a treat in class. Well done!

Thank you for being punctual with Christmas cards and party food - the quarantine period has begun, so that we can continue to keep everyone as safe as possible next week.

Raring2go

Raring2go! Have asked us to circulate the link to this quarter's magazine. It's a special festive edition, full of clickable content, and is available here:

New Parents - Reception 2021

Please be reminded that the application deadline for children applying for September 2021 Reception places, is 15 January 2021. The Local Authority has sent letters to prospective parents this week, encouraging online applications. A paper copy is also available to collect from the office, if needed.
