Attendance Matters

This Week's Attendance

☹ 81.8% ☹

Class with the Best Attendance

😊 2L - 97.9% 😊

Most Punctual Class

😊 RB, 1L, 2L & 2B 😊

Remember how important it is to be in school all day, every day.

Each week, we focus on work undertaken by a different class. It has been the turn of 5L who say ... our Friday has been spent discussing our children's Eid celebrations, along with putting up our decorations and making cards. The children have thoroughly enjoyed having time to tell us about their culture, time with family and their traditions at home. Our class has also dressed for the occasion, in their best party clothes!

Since the most recent lockdown, Years 4-6 have been using an app to track how many miles they are completing on the running track, and have been working towards their own individual marathons - 26 miles! This week, **Eira**, became our first pupil to complete the **London Marathon** - that's 183 laps of the track! **Well done, Eira!** Next up for Eira, the **New York Marathon!**

Reception children have had such fun today in their cycling session!
