Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> What do plants need to grow? Can you describe the length of something?
Year 1	<ul style="list-style-type: none"> What group does a horse belong to? Name a number bond to 20
Year 2	<ul style="list-style-type: none"> Can you name something that is dead, living or never been alive? What is the difference between a pictogram and block diagram?
Year 3	<ul style="list-style-type: none"> Explain how London and Athens are different? What do I need to add to 4/7 to make a whole?
Year 4	<ul style="list-style-type: none"> Which animals can you name in French? What are the main features of a diary entry?
Year 5	<ul style="list-style-type: none"> What year was the Domesday book made and what questions might be featured in this book? In terms of land, which country is the largest country in South America?
Year 6	<ul style="list-style-type: none"> Why is Moses important to the Jewish religion? In what year were Jewish people forced to wear a star in occupied areas of Northern France?

Remember, over the half-term, this is a brilliant resource that can help plug gaps, consolidate previous learning and accelerate new learning.

If you or your child is having trouble accessing this site, please speak with your class teacher or Mrs Bendelow (in 6L).

If your child doesn't have a device to use at home, then please message Mr Watson (who has access to some laptops for families who need them).

We would love every child in KS2 to use this site to help them with learning at home.

World Book Day

In case you missed the post on Class Dojo (Feb 8) ...This year's theme is "You Are a Reader". We encourage children to read for pleasure at home in a comfortable way such as before bedtime or when they're snuggled up in their pyjamas. For this reason, we would love the children to come to school dressed in their pyjamas and bring their favourite book from home. This can include dressing gowns and slippers but please make sure that alternative shoes and clothing is provided for playing outside. In addition, the Random Readers will be hosting a competition. The competition is to create a potato character inspired by their favourite book character. The instructions for how to make them are attached to this post. We would like you to bring your competition entries into school from Monday 27th February so that the Random Readers can judge them and choose the winners at lunch time on Thursday 2nd March.
